

HOW MANY PAY THEIR BILLS BY CHEQUE?

Nowadays most people do—because almost everybody has a bank account. Writing a cheque is safer than carrying cash and a time-saving and convenient way to pay bills. Every banking day Canadians write three million cheques, an increase in the past 10 years of more than a million a day in the number flowing through the banking system. This up-to-date cheque handling service makes possible the convenience you command every time you use your cheque book.

CHILDREN'S AID BOARD APPOINTS COMMITTEES

(Intended for a previous issue)
The Children's Aid Board met in the Court House, Cayuga, with several new board members present. Membership cards will be sent out to those who have signified interest in the Society and will be in the mail shortly.

Board committees were set up for the year. T. Roy Brown, submitted the report of the Policy Committee recommending that it was not necessary to establish a small residential home in the county at present.

He also placed on file a statement as to the availability of opportunity classes in Haldimand at present. Maurice Lennox, in submitting the financial report, recommended the installation of an air conditioning system at the C.A.S. building in Dunnville, funds being available from the remainder of the building fund.

NEW AGE LIMITS
Richard Priestman, local director, drew attention to changes in the Mental Hospital Act which would bring before the courts the matter of the feasibility of extending wardship of patients of hospitals or institutions beyond the age limit presently recognized for wards of the C.A.S.

He asked the policy committee to study this ruling with the idea in mind that many inmates of institutions could be released if the C.A.S. would assume responsibility for their care.

This would leave room for many who are on the waiting list in such places as Orillia.

Some time ago it was stated that 30 children in Orillia were able to leave the institution but foster homes were not forthcoming. He referred to a recommendation made in 1960 which stated that the Society should provide voluntary social services in cases of mental retardation and mental illness.

HELP FIND HOMES
Again in 1961 the board recommended that assistance be given through the C.A.S. to help training schools in finding homes for those dismissed from their care.

In reporting the work of prevention carried on by the Society, he submitted a table showing that 1,448 days of service had been given to 58 families involving 136 children in Haldimand. In a breakdown of 15 communities the major work was shown at follows: Dunnville, 514 days service, 20 families, 32 children; Cayuga, 137 days service, five families and 18 children; Hagersville, 149 days service, five families and 16 children.

Moved by Roy Craddock and seconded by Craig Werner that all bills be paid to date. Carried.
Moved by Kenneth Bartlett and seconded by Wray Dennis that we now adjourn to meet June 28th at S.S. No. 21. Carried.

DAVID LINT, Chairman
BRUCE MARLAND, Secretary

GOOD X

When the allowance has been made for those truly unable to work, government at all levels should insist on a policy of a day's pay for a day's work in this matter of social assistance. It is the only foundation on which to base a policy of assistance for those who need it. (Quenel (B.C.) Cariboo Observer.)
