

We've got to admit that the charitable nature of Sam Morris certainly came to the fore when he developed his composition last week. It isn't everyone who is humble in victory. Of course Sam knows we'd be equally charitable if the decision had been reversed. We have to admit too that the change in political fortunes brought a quick improvement

on the railway crossing on Port Dover's Main Street so everything is in order once again.

We're anxiously awaiting an invitation from Bruce Stoddard to the delayed celebration we understand is taking place this week end. We hope to be sufficiently recovered by that time to enjoy the event.

Red Kelly is a three time winner. He was the key in winning the Stanley Cup for Toronto. He has won a seat in Parliament and now he is the father of a new-born baby son.

We'd like to remind ball fans that the Jarvis Hereford are coming back to life. After a year in retirement the team is again developing into a fine ball team. Coach Harry Rees is the spear-head in the development of some fine ball players and before the season is out will win the enthusiastic support of the fans generally. Now would be a

good time to get behind the team. We are saying good-bye to Rev. and Mrs. Ronald J. Warren and their family this week. During the three years Mr. Warren has held the pastorate at Wesley United Church he has made many friends in this community, not only in his own congregation but over a wide area. His many friends here are sorry to see him go but will wish him well in his future work in Thorold.

We find it difficult to be our cheerful best these days. It is going to take a little while to get over the results of last week's election and secondly we just realized that Municipal taxes are due by the end of the week.

The only thing we can imagine that might assuage the pangs of distress is a trip to Lake Ontario. The only and part about this prospect is that we'd have to go with Doc Austin and we find Doc isn't quite as charitable in his thinking as Sam Morris.

We find it difficult to be our cheerful best these days.
