- The Bible's National Message We believe that the Celto-Saxon peoples are the descendants of God's servant race and nation Israel: that our ancient Throne is the continuation of the Throne of David; and, in view of present world conditions, that a general recognition of this identity AND its implications is a matter of vital and urgent importance. We're glad to know he changed his vacation itinerary to Florida from the Kentucky Hills, else it would likely be Bourbon coming out of his ears. Sure wish we could florid expensive vacations like that.

We were feeling pretty let down about the whole thing until our Coach—the greatest coach in bowling—George Anderson, revived our sunken spirits by saying "Remember Laird, it matters not that you won or lost, but how you played the game." With such inspirational help as that we expect to be back in nor-
