as the prophets of gloom, is trying to spread some more of his propaganda. Sam hasn't yet realized we never had it so good in Canada. If he would get his head out of the sand and study the facts he wouldn't be mislead by the gospel preachers of his party. For example: Does Sam realize our exports were up 12.4 per cent the first half of this year over the first half of 1961; does he realize that steel shipments rose 7.3 per cent for the same comparison; that wages and salaries are advancing in pace with the growing economy; that Bank clearings are up 6.9 per cent this year over the correspondent of 1961. These are just

V. J. Columb SHAY'S LIVESTOCK

detailed account of our experiences. However, from the casual conversations we have had since our return we realize anything we might say about the "Eagle eyed" editor would be discounted right from the beginning. For this reason we are not going to give an account of our most repeat experiences in the Northern

ing. For this reason we are not going to give an account of our most recent experiences in the Northern woods. Doc Austin has already been begging us to explain to him how to get your bag on a hunting expedition but we refused to tell. It is sufficient unto itself that while we are thing choice moose meat through-

eating choice moose meat through-ut the winter months Doc's tongue

It must have been a rewarding experience for Rev. Dillwyn Evans, as guest Minister, to face a full church as he preached the anniversary services at Knox last Sunday. While nearly thirty years has passed since Dil's schooldays in Jarvis he continue.

Dil's schooldays in Jarvis he continues to be held in the highest esteem by his many friends here. This was manifest by the attendance at the anniversary services. It is a great satisfaction to all those interested to find in Rev. Dillwyn Evans a man who is making use of the unusual

who is making use of the unusual talents with which he is possessed talents with which he hat over so effectively. We hope that over

so effectively. We hope that over the next thirty years we have the op-portunity of listening to his sermons

We had the pleasure of meeting a native of Jarvis on Sunday night who, after nearly forty years, keeps

who, after nearly forty years, helps in touch with her hometown through the medium of the Jarvis Record.

the medium of the Jarvis Record.
We refer to Mrs. John Weylie formerly Annie Williamson who now
resides in Royal Oak, Michigan. Although Mrs. Weylie has been away

though Mrs. Weylie has been away from Jarvis these many years we can recall the impression she left with us while living here. As we grow older we begin to realize our actions may have some influence on the lives of younger people. We hope it will not be embarrassing to Mrs. Weylie but when we were in our early teens we regarded her as a most wonderful

regarded her as a most wonderful person and wondered why all mem-

bers of her sex could not be as char-

ming. We can say she still has that same charm. With these thoughts in mind it will be understood why it

gave us some satisfaction in knowing that the old Record is helping her to keep in touch with her native com-

SPEAKS IN HOUSE

(continued from page One)
This leads me to the very nub of the point made rather eloquently and admirably by my colleague, the Hon.

Member for Assiniboia, and which has escaped the attention of every Hon. Member on the other side of the House. This is what happens. I they can move up a rung or two toward a better standard of living.

I come now to the very bedrock of the conomic units but that it negolicts those with a lower standard of living who are most urgently in need of credit. Therefore I would earnestly ask the Minister of Agriculture to re-two the fourth those with a lower standard of living who are most urgently in need of credit. Therefore I would earnestly ask the Minister of Agriculture to re-two the point made rather eloquently and and who are on the bottom rung of the ladder will at least be given the credit Corporation has to who are on the bottom rung of the ladder will at least be given the credit those with a lower standard of living who are most urgently in need of credit. Therefore I would earnestly ask the Minister of Agriculture to re-two the tourn to large corporations or private who are on the bottom rung of the ladder will at least be given the credit Corporation has to who are on the bottom rung of the standard of living who are most urgently in need of credit. Therefore I would earnestly of the House. This is what that it negolicets those with a lower standard of living who are most urgently in need of credit. Therefore I would earnestly to what we call vertical integration, do what we call vertical integration.

has escaped the attention of every Hon. Member on the other side of the House. As I understood him, he put this proposition to the Minister of Agriculture. He said that the Act in its present scope is not wide enough. He pointed out that the Act is designed to help farmers make their farms of the submission? They are the treet individuals and he enters into a contract individuals and he enters into a cont
