We Canadians buy imported manufactured goods at the rate of \$235 per person per year. If each of us diverted \$100 of this to the purchase of Canadian-made goods, we would help create 60,000 new jobs in Ontario.

Americans spend \$35 per capita on manufactured imports . . . The British spend \$75... West Germans spend \$60 . . .

Canadians spend \$235 per person per year! If these expenditures in Ontario on imported goods could be reduced by \$100, we

would still be amongst the world's greatest importers. If that \$100 were diverted to Canadian goods we would add \$600,000,000 to

We are the world's greatest importers.

Our economy and help create 60,000 new jobs!

To accomplish this, the consumer must become "label conscious"; it is the sum of all our day-to-day purchases which can add up to the success or failure of our economy. Whenever the consumer reaches out for an imported product, he or she should ask, "Is there a Canadian equivalent?" For in most cases there is a Canadian product that is as good or better. The more money we spend for things we make, the more prosperous the people of Ontario will be!
