## WINNERS AT CALEDONIA AND SIMCOE

The Hagersville Dairy Club and their project which captured first place at both the Caledonia Fair and the Norfolk County Fair at Simcoe this year are shown above. Kneeling in front are Robert Moffat and Dale Bliton. Standing from left to right are: Brian Smith, Ronald Harrop, Ruth Gowan, Neil Winger, Janice Cherry, Gordon Fearman, Janet Winger, Richard Nichol, Mary Stewart, Paul Nichol, Doug Bacher and Keith Reid, co-leader of the group. Jack Biggar, co-leader and Alice Clark were absent when the picture was taken.

We are going to reserve all the flowers we have to pass out this week for the Jarvis Drama Club. Any and every flower, sincerely done, merits a prize. But, when it is well done, it deserves something more than this. What made the recent effort more praiseworthy than usual was the exceptional job done in the two male parts by members of the opposite sex. Barbara Thompson and Nancy Hoover-Barrie with a finesse and talent that exceeded anything we have ever seen on a local stage. All members of the cast played their parts well. No doubt a considerable credit is also due to the Director for the Captain always deserving some credit for a smooth voyage. We can all hope that this may be the forerunner of many future successful Drama efforts locally and that it will be the stimulus needed for a revival of interest in the local Drama Club.

We see by the papers that the Government's austerity program, designed to get the budget back in balance, will mean a delay in the proposed Harbour down at Port Dover. The \$100,000 appropriated for this purpose has been cut off. We're not sure just what this will mean to Port Dover but suspect we will get full details in the current issue of the Port Dover Mail. The Government's intention of spending this vast amount of money in Port Dover apparently had very little influence on the voters on June 18th. Therefore, it would seem logical to believe that the decision to withdraw or withhold, this expenditure will cause little concern.

There are some nice people down in Port Dover. In addition to the delicious mushrooms we have been brought home a delicious smoked whitefish last week. This is the kind of courtesy that makes for good relations between people and communities. From now on we're going to buy our smoked whitefish from Miesner Bros. and we're going to tell all our friends who like smoked fish, to go to get them. If you have never tasted smoked whitefish, just stop at the Fishery at the east end of the Lift Bridge going into Port Dover and buy some.

We hope, by the time this is being read to be sitting in a boat up on Lake Ontario hanging on to the business end of a fishing rod. We hope the Onaping Skipper will be at the helm to hold a true course as we troll the shoreline trying to lure one of those big northern pike. At time of writing we are not sure whether or
