ECONOMIC PROGRESS IN ONTARIO OUTLINED BY PROVINCIAL TREASURER

re of the Province of Ontario drew a picture of the vast economic growth of the Province over the past fifteen years, and the additional classroom requirements to meet this increase. He also pointed out that the advancement since the last Great War exceeded in many ways the progress of the Province over the previous one hundred years. To indicate this the gross ordinary tax revenues of the Ontario Government in 1945

runs. Mel Ferhman started for the winners and went to the seventh inning in picking up the win. John Van Every relieved him and put out the fire in the seventh and had no trouble in the last two frames in preserving Ferhman's hard earned shut-out. Hagersville jumped into an early two to nothing lead in the first inning on two hits, an error, a walk and a sacrifice. The score remained that way until the fourth inning. Championship.

ning on two hits, an error, a walk and a sacrifice. The score remained that way until the fourth inning when Hagersville loaded the bases with no one out, but managed to score only one run in what looked to be a real rally. Hagersville scored one more in the fifth on two hits and a free pass to make the score four to nothing at that point. Neither team threatened again until the eighth inning when Wheatley committed two big errors to help the winners score three more tallies and really put the game on ice.

Wheatley looked to have an inning going in the third when they loaded the bases with one out but some fine clutch pitching by Fehrman prevented them from reaching home plate. Ken Graham was the best batter of the day as he collected a total of three hits to lead his team to this important victory.

The second game of this series will be played on Sunday in Wheatley and a third game if necessary back in a third game if necessary back in Hagersville probably next week end.
