(continued from page one)

will cut passenger fares on off-peak travel days beginning June 23.

The CNR said its fares will be cut between Toronto and North Bay, southern junction of the CNR line to Moosemen, and on the CNR runs to Kapuskasing and Hearst.

In addition the CNR will begin a new fast train June 23, making the Toronto-North Bay trip in five hours and 10 minutes compared with up to eight hours for the slowest train on that route now. Existing trains will be retained.

Toronto-North Bay fares will be cut by 42 per cent to \$5.10 one way on 163 days, by 22 per cent on 144 days and will be slightly lower on 59 days.

The CNR said it will participate with the CNR in the new schedule extending to Timmins, Cochrane and Hearst.

WELCOME WARMTH
 Last weekend's warm weather was welcomed by commercial fishermen who have been coping with heavy ice conditions on Lake Erie, Huron and St. Clair.

Fishermen in the Wheatley area, 25 miles southeast of Chatham, were able to return to Lake Erie. But Port Stanley fishermen were still ice-locked and Port Dover fishermen report poor catches.

Choir fishermen were still unable to start operations.
