EBENEZER CHRISTIAN REFORMED CHURCH RECEIVES NEW MINISTER

Federation Facts

—By Allan Murray—

Government subsidies always are a target for criticism, often properly so. They are used to assist special groups, or interests, at a cost to the people at large.

It is an odd fact, however, that some subsidies get a great deal of criticism and others much less. One of the most severely criticized has been that on butter, largely because there is a surplus of butter. The net cost of the dairy support program in 1961-62 was $15,628,800.

There is, however, a subsidy on gold mining. This cost, in the same period was $12,413,-347. Yet curiously there is little public criticism of this, even though butter is a much more essential product than gold. And many gold mine owners are rich people in no real need of help from the public purse.

—O—

The root cause of our agricultural problem a not "too many people" or "too many resources", or, over the long run, "surpluses". It is the fact that farmers as individuals simply do not possess enough economic bargaining power, either when they sell or when they buy. And the only method of gaining such economic bargaining power that has thus far proved really dependable has been the organization of co-operatives

—O—

Farmers have little right in complaining about farm organizations unless they are prepared to take an active part in them. It is a lot easier to sit back and criticize than to do your share of the work in farm groups.

CARDS OF THANKS

The family of the late J. Stacy Burwash wish to take this opportunity of expressing their sincere appreciation for the many acts of kindness and sympathy extended at the time of their bereavement.

* * *

We would like to extend very many thanks to our relatives, friends and neighbours for cards and other acts of kindness extended to us at the time of our little daughter, Irene's accident and during her stay in hospital. Special thanks to Dr. Powell.

Don and Shirley Martin

The Ebenezer Christian Reformed Church of Jarvis received its new minister.

Rev. Peter Kranenburg, who together with his family moved into the parsonage, next to the church, on February the 6th, was installed as minister on Friday, February the 15th. Several ministers took part in this service.

Rev. G. Hoytema of Dunnville led the beginning of this worship service.

Rev. J. Vriend of Simcoe led the congregation in prayer.

Rev. J. Quartel of Hamilton preached the sermon on Luke 10:20 "Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, that your names are written in heaven."

Rev. J. Vriend, having been the counselor for this church, since the sudden death of its former pastor, presided over the installation of Rev. Kranenburg.

Rev. A. Rumph, who finds his charge in fruitland, addressed the new minister and appropriate words were spoken to the congregation by the Rev. P. VanEgmond of Welland-port.

The benediction was pronounced by Rev. Kranenburg.

It was an evening in which thankful hearts have turned to God, Who provided where great loss was suffered before. Rev. A. Haalboon passed away last year as the result of a car accident. May the Lord continue to comfort and streng then Mrs. Haalboom, whose residence now is in Sault Ste. Marie.

The inaugural sermon was preached last Sunday morning and the text chosen for the purpose was Revelation 3: 8a. "Behold I have set before thee an open door, and no man can shut it."

MARY ADDISON CROWNED QUEEN AT H.H.S. 'AT HOME'

The "At Home" Valentine Dance held in Hagersville last Friday night was the year's highlight, as usual. A large attendance of students, ex-students and parents danced to the music of Jerry Clute's Orchestra from London, Ontario, quite a change from the steel guitar orchestras that mark our student parties.

The gym was beautifully decorated with a Japanese motif. Francis Hedges, decorating convener, deserves great credit for the planning and hard work that gave this attractive setting. The revolving light in the centre was the work of Brian Gowan, the fish-netting for the false ceiling came from the Hedges' and panoramic murals were painted by history teacher Ron Hagan. Many senior pupils worked well to complete this colourful scene.

The climax of the evening came with the crowning of the school "Queen of the Ball". Elected by student ballot, Miss Mary Addison was the chosen Queen who mounted her throne and was crowned by Miss Donna Brohman, last year's queen. Her attendants, runners-up in the voting, were Miss Diane Gowan and Miss Wilma Bergsma. Bob White, Student Council President, acted capably as master of ceremonies for this event.

The reception line consisted of Mr. and Mrs. A. C. Smith, Mr. and Mrs. Lloyd Hilton, representing the School Board, Mr. and Mrs. Vern Ashton, for the Staff, Bob White and Linda Gowan, Student Council, and Francis Hedges and Louise Lundy, Dance Committee.

The girls looked lovely in their party dresses and corsages; the boys were perfect gentlemen and attending parents were proud of their young folk.

OBITUARY

J. STACY BURWASH

John Stacy Burwash, 81, the oldest native born citizen of Jarvis passed away on Sunday, February 17th at St. Peter's Infirmary Hamilton, after a lingering illness.

Born June 3, 1875, the deceased was a life-long resident of his native village. Son of the late J. A. Burwash and Isobel Smith, he was associated with his late father in a large mercantile business which would in the present day seem strange for so small a community. Destroyed by fire, this building was replaced by a smaller one in which Mr. Burwash carried on a grocery business until his retirement in 1945.

He was a Past Master of King Solomon Lodge No. 329 AF&AM, a Past Noble Grand of Jarvis Lodge No. 191 IOOF and a Past Chief Patriarch of Ridgely Encampment No. 52.

A devoted member of the Anglican Church, he had served as Treasurer and People's Warden.

His wife, the former Minnie Hewson, whom he married on November 20, 1900, predeceased him on August 17, 1962.

He is survived by one son, Harold of Williamsport, Penn. and one grand daughter and two great grand daughters.

The remains rested at the W. L. Mott Funeral Home in Hagersville where a private service was held on Tuesday at 1.30 P.M. followed by service in St. Paul's Anglican Church Jarvis with the Rector the Rev. K. N. Brueton officiating.

Interment was made in the family plot in St. Paul's Cemetery. The pallbearers were Laird Miller, Reg Leatherdale, Allan Lundy, Wilfred Krouse, James Cripps, Cavell Ionson.

BOWLING ALLEY CHANGES HANDS

The Jarvis Bowl Management has been taken over by Mr. Ivan Peaire of Caledonia. It had previously been operated by Ron Fraser of Hamilton. The change in management was made on February 14th.

WALLET WENT FAR

WINDSOR, Ont. (CP) - Cub scout Wayne Miller had a billfold with money returned to him after he lost it in Tennessee. It was handed in to the scout office at Jackson, Tenn. from where it was sent to the national office of Boy Scouts of America in New Brunswick, N.J. They passed it on to Canada's scouting headquarters in Ottawa who sent it off to Wayne.

JARVIS W.I. "SAFETY JINGLES" CONTEST WINNERS

The following "Safety Jingles" were written in response to the donation of $15.00 given by the Jarvis W.I. for a Safety Contest. The first three in each of the five rooms of the Jarvis Public School were declared winners having been judged by the school staff.

GRADE 1 — ROOM 1

1st - Michael Marshall:
When you go skating
Be sure it's safe,
You might fall in
Right on your face.

2nd - Allan Miller:
Look both ways
When you cross the street,
Or a car might come
And run over your feet.

3rd - Susan Craddock:
Pick up your toys
And put them away.
Be good boys
Every day.

GRADE 2 — ROOM 2

1st - Rebecca Linklater:
When you walk along the street
Look at the cars but not your feet.
And when you walk to school each day
Please don't play along the way.

2nd - Diane Smelser:
Little children going to school
They should know the safety rule
"Stop, Look and Listen"

3rd - Earl Church:
Red means "Stop!"
Green means "Go"
When Amber is up
Please go slow.

GRADE 3 — ROOM 3

1st - Ray Miller:
Remember when you ride your bike
Be sure to take your cue
From all the signs along the road.
They are also there for you.

2nd - Suzanne Munroe:
When you are going across the street,
If a car is coming, don't try to beat.
For if you do, you might get hurt,
So before you cross the street be alert.

3rd - —Ricky Phibbs:
When you go to get a drink,
Don't push before you think.
Wait in line,
Evan if you are behind.

ROOM 4

1st - Ricky Miller:
When playing ball or playing on the street,
Never run between parked cars
Or disaster you will meet.

Never play around with matches,
Or you will start a fire,
And then you will hear sirens,
And men will come with hatchets.

When you're playng in the street,
Policemen will be on your beat.

When I was little
I didn't know red from green
And when my mommy found me
I thought she was a little mean.

Never play near the dump
Or in the ground there will be a lump.

Never hitch a ride with a truck
Or you will be covered up with muck.

Never hitch a ride with a car
Or you will be flattened like a candy bar.

2nd - Bill Pess:
Jingle Bells, jingle bells
Safety all the way
What fun it is to play
saftely all day
Be careful of old ice boxes,
plastic bags and things
Jingle bells, jingle bells
Safety all the way
Don't go skating on thin ice
Please be careful and take advice
Well I am sure that you all like buns
But always please beware of guns.
If you have an arrow
Do not ever shoot a sparrow

Now I've ended my little rhyme
So always remember take your time.

3rd - John Church:
Obey the policeman all the time.
The more you do the more you'll find
That he will help you on your way
Across the street most any day.

A stranger who will give a ride
Might be dangerous and decide
To take you away and tie you there
Then charge your father a tidy fare.

When walking along the road at night
Always be sure to wear something white
Or one not fit to be driving a car
Might be able your life to mar.

Hockey equipment was meant to use
And not for someone like you to abuse
So although you think you may have bones like lead
It's better to be safe than lying in bed.

GRADE 7 — ROOM 5

1st - Linda M. Operskot:
This little poem I'm writing,
Is something for the wise,
It's all about safety,
No matter what your size.

When speeding with a tractor,
I'd advise you not to try
To turn a very sharp corner
For you'll most likely cry.

And also with a baller,
Or a combine that's in motion
For you may lose a finger
And then there'd be a commotion.

I hope you've learned a little
That whenever on a farm
To watch for all contraptions
And this is not a yarn.

2nd - Graham Bayes (Grade 8)
Be sure to keep the sidewalk clean
If you'd avoid a fall
Ice under snow isn't always seen
And your doctor you'd have to call.

The garbage can's the place for trash
Don't pile it in a corner
Your home could be a pile of ash,
And you'd turn out a mourner.

Don't overload an electric plug
It might cause a simple short
And you would be just a big fire bug
Who's anything but a sport.

There are many other ways
That accidents can happen
So be wise, don't start a blaze
Just don't let them happen.

3rd - Janice Phibbs (Grade 8):
Take it easy on the steps
Plus running in the hall,
For if you are not careful
You will trip and fall.
What happens when you tumble?
Or when you push and shove
Down you'll come with a rumble,
And wish you were above.

Sometimes it isn't serious
And soon you're out to play,
But learn right now to watch your step
For it will pay off some day.

P.C.'S WILL NOMINATE THURSDAY, FEBRUARY 28TH

The Brant-Haldimand Progressive Conservative Association has announced that a nominating convention will be held at the Caledonia High School on Thursday evening, February 28th.

Considerable conjecture has arisen concerning the choice of a candidate with the announcement this week that A. Gordon Skinner of Cayuga, former Agricultural Representative for Haldimand County, would allow his name to stand for election if he is given a nomination. John A. Charlton of Paris, who represented the riding from the time of its inception until last year, is also considered as a possible candidate. Mr. Charlton lost the riding last June by a narrow margin to Larry Pennell of Brantford. Several other names have been associated in the grapevine as contenders for the position.

Erik Winkler, M. P. for Grey Bruce and Conservative Whip in the House of Commons will be the speaker at the meeting.

Mr. Skinner is, perhaps, one of the best known citizens of Haldimand County, having served for many years as Agricultural Representative here. He retired from this position last year. His announcement that he would allow his name to stand for the Progressive Conservative Nomination will bring added interest to the nominating convention. It is understood there will be approximately 300 voting delegates in attendance.
