SDAY, JANUARY 10th, 1963

MADE TO MEASURE - -

The saddest news we have to report this week is the loss suffered by the Jarvis Chevies on Monday night to the Port Dover Thunderbirds. We have been unable to diagnose the cause of this revolting situation. It must have been that the Chevies were playing with about half a team. Otherwise this couldnot have happened. We also understand that the loss suffered by the Chevies on Monday night has inspired the Hagersville team to give them the same treatment tonight (Thursday) at Hagersville. If the Chevies let that happen they are going to have to do some answering to some of their loyal hometown fans.

We are suffering from a state of the same treatment to some of their loyal hometown fans.

We are suffering from a state of the same treatment to some of the chevies or the Agricultural Office, Cayuga. There is a small charge for all species, although the amount varies with the kind of tree. On the other hand, the Grand River Conservation Authority and the Niagara Peninsula Conservation Authority and the Sist of the other hand, the Grand River Conservation Authority and the Niagara Peninsula Conservation Authority and the Sist of the other hand, the Grand River Conservation Authority and the Niagara Peninsula Conservation Authority and the Niagara Peninsula Conservation Authority and the Sist of the other hand, the Grand River Conservation Authority and the Niagara Peninsula Conservation Authority and the Sist of the other hand, the Grand River Conservation Authority and the Niagara Peninsula Conservation Authority and the Sist of value of the other hand, the Grand River Conservation Authority and the Niagara Peninsula Conservation Authority and the Sist of value of the other hand

We are suffering from a state of tremendous disruption in our premises this week and the only redeeming feature is that Rusty seems to thrive

which we are thankful and, we hope, we may be restored to some semblance of order within the next month or so.

We learned with much satisfaction on Wednesday that Deborah Porter, 11, the budding star of the Lorne port this week is the loss suffered by the Jarvis Chevies on Monday CBC television that night. We hope for all species attenuely the amount of the containing the Ontario Department of Lands and Forests. Now is the time to make application for trees and order forms can be obtained from all offices of the Department of Lands and Forests or the Agricultural Office, Cayuga. There is a small charge for all species attenuely the amount.

The Haldimand Soil and Crop Ir

provement Association will hold its Annual Meeting on Thursday, January 10th at the Rural Youth Centre in Kohler. The program will start at 10.30 A.M. and conclude at 3.30 o'clock in the afternoon, just the right time of day to allow busy farm ople to take a few hours to keep east with new developments in arm practices. Mr. Eugene Lemon ctical farmer, will speak in the noon. Mr. Lemon has made t of changes on his farm during th om his recent operation to again take command of his bowling team. It may not be general knowledge that his team sank to the cellar during his absence. An indication of the ychological effect he has on his team-mates was revealed on Mon-day night when they took five points over Baz Montague's Bachelors. To break even with this crew is normalquite an achievement. It should wever, that Ben Sydeholm and Wilf Hyland were not bowling up to their regular standard and this may have had some influence on the esults. All of this notwithstand-

HOW MANY KEEP THEIR SAVINGS IN A BANK?

Probably all of them/There are 10 million savings deposit accounts in the chartered banks, by far the most popular type. They are used by all sorts of people - wage-earners, businessmen, housewives, farmers, students - who know their money is safe, earns good interest, and is available whenever needed. And they like the efficiency and courtesy of the men and women who serve them / Your nearest branch is the place for your savings - and the one place you can do all your banking.
