"I'll be over—after I do my banking!"

Nowadays it's natural for the lady of the house to
do much of the family banking, because it's so
convenient to look after money matters at one place
—the local chartered bank, an all-round banking
service-centre.

This busy homemaker is on her way to deposit
part of her husband's salary in their savings
account, cash a cheque on their joint chequing
account, and pay the monthly instalment on a

personal loan. All this taken care of under one
roof—quickly, easily, simply.
Any bank service you use is an introduction to
many others. And the chartered banks are always
on the lookout for new ways to be helpful to more
people. Good reason why the number of deposit
accounts has doubled to 14 million in just 10 years,
and 3,500 new accounts are being opened every
banking day.

THE CHARTERED BANKS SERVING YOUR COMMUNITY
through full-range banking responsive to growing, changing needs
