RECEIVES DEGREE

I believe that Mrs. Close and Miss Beck each have a complete record and history of everything that has happened at Becklife since it was founded. With this in mind the Ladies of the Auxiliary have had you sign two guest books, one for each of their past presidents, to be complete for their memoirs. I also have a letter for each over the signature of a kind Miller, Chairman of the Hospital Board putting in print, more or less, the sentiment I have tried to express.
