LETTER TO THE EDITOR
 Dear Sir: June 15, 1963
 Although Canadians have rendered military service in both peace and war under unit badges, no comprehensive history of these insignia has ever been published.
 The writer is now attempting to assemble material for a reference book on this aspect of Canadian history. Any assistance your readers could give would be appreciated.
 Material sought includes helmet, cap, collar and shoulder badges; buttons; unit crests; photos; unit complex; photos and pictures illustrating these devices; letters, envelopes, programmes, crests and markings; books and articles on unit histories; and information concerning designs, and reasons for selection, and associated uses and anecdotes associated with them. Of special interest would be information at one time engaged in local manufacture of these items and earlier Militia materials are required particularly.
 Yours truly,
 G. Hiner,
 Box 4055, Stn. E.,
