BECKLIFFE HOSPITAL CLOSED

BIRTHPLACE FOR 4,000 BABIES

Beckliffe Private Hospital, in Hagersville, closed its doors last week after many years of successful operation. The well-known institution was operated by Miss Beck and Mrs. J. Close, both of whom gave devoted service to its operation.

Time marches on. Two or three decades ago a private hospital the size and calibre of Beckliffe was not only an asset to the whole community from a health standpoint, but was also a source of pride to the municipality. Unfortunately the day when a private hospital could operate successfully has drawn to a close. The great advances in medicine and medical care have also created a similar advance in the need of costly "tools" for hospitals. Under these conditions the partners in the Beckliffe operation couldn't continue to carry on.

Every effort was made by the Board of the West Haldimand Hospital, which will be opened at Hagersville next year, to make some arrangement with Ontario Hospital Commission to keep Beckliffe in operation until that time. No solution was found to make it possible to do this.

Miss Beck and Mrs. Close can look back with great satisfaction in the work they carried on so nobly for so many years. While the closing of the hospital marks the end of an era the service it provided for the community will remain green for some generations to come.

BUSINESSMEN WILL SUPPORT ANY MOVE FOR WATER -- SEWAGE FOR VILLAGE

The Jarvis Board of Trade adopted without dissention, a resolution to send a delegation to the Jarvis Municipal Council to tell them that the Board members are behind any moves to bring waterworks and sewage to the municipality, when they met on Tuesday night.

The matter of waterworks and sewage came before the meeting after the members had covered a wide range of subjects designed to stimulate business activity in Jarvis.

Among the subjects discussed was a promotional scheme to capitalize on "Saturday night" shopping, improved lighting in the business section, participation in the May 20th Calithumpian Parade and group advertising.

The whole discussion was well focused by Robert Lysch when he told the meeting that the only hope of increasing business sales in the community rested in the hope of increasing the number of potential customers, and this could only be achieved by providing the facilities — namely, water and sewage — that would attract people to the community.

His argument was generally accepted by the meeting and prompted the resolution to convey the feelings of the business community to the council. A delegation, named by President, Jack V. Cooke, will carry out this assignment.

The President will also name a committee to discuss with the Jarvis Hydro System a plan to improve the street lighting in the business area.

The members were all urged to participate in the Calithumpian Parade at the Victoria Day Celebration on Monday, May 20th.

GARNET U.C.W.

The April meeting of Garnet U.C.W. was held at the home of Mrs. J. Ebert on Thursday evening. The president, Mrs. M. Phillips began with a devotional period, namely, soft music, a reading and prayer. All this and the roll call related to spring thoughts. Mrs. Fred Roullston was in charge of the program with the theme "Worship Through Music". An article entitled "The Value of Music" was read and then three members read short readings on 3 common hymns and all joined in singing parts of these. Mrs. R. Smith, Mrs. R. Phibbs and Mrs. R. Phibbs helped with this part. Mrs. F. Roulston then led in prayer. Karen Ebert played a lovely piano solo. The study book chapter was taken by Mrs. F. Roulston and this dealt with the problems of the people of Hong Kong. Mr. Bayes then led a short discussion on "Christian Love".

Business followed with various reports. Mrs. Willis Harrop told about the Presbyterial meeting in Simcoe and especially stressing the part on "Music Leadership". The offering was dedicated by Mrs. L. Bilton and courtesy remarks were given by Mrs. Chas. Graham.

The meeting closed with benediction led by Mr. Bayes.

The next meeting will be held on May 23rd at the home of Mrs. Myrtle Wheeler in Jarvis.

REV. CHARLES KALISKY TO SPEAK AT BALMORAL

Thursday, May 9th at Community Baptist Church, No. 3 Highway, the Rev. Charles Kalisky speaks at 8.00p.m. on the subject: "Israel in the Plan of God".

Rev Charles Kalisky is English born and educated. He comes from a Conservative Jewish family. In his youth he was an enthusiastic Zionist, and that would attract people to the Young Zionist Association of Great Britain.

During World War II he was asked to join the British Colonial Office, and served the Palestine Mandatory Administration in an executive capacity. All through the war years he was able to maintain an effective witness, and was used in winning souls for Christ.

On the termination of the British Mandate for Palestine in 1948, and the establishment of the new State of Israel, he was approached by the Jewish authorities and asked to give his assistance in forming one of the major government departments. His technical knowledge and the experience he had acquired during his years of service with the British government were regarded as being of great value to the new State in its formation. He subsequently held an important administrative position with the Israeli government until the end of 1952, when he felt led to leave his secular post, and answer the call to devote himself entirely to the Lord's work for Israel.

AN INTERESTING AND CONVINCING SPEAKER

Mr. Kalinsky has a thrilling story to tell of how he found the Messiah, and his many experiences n the Holy Land during the exciting years preceding the birth of the State of Israel. Together with his wife and children he lived in the city of Jerusalem during the terrible siege of 1948, and was an actual eye-witness of much that took place there, for he was personally participated in the defense of Jerusalem as a soldier in the Israeli army.

During his residence in the U.S.A., Mr. Kalisky has maintained close contact with the Hebrew Christians and others in the Holy Land, and recently returned there for a protracted visit during which he examined the spiritual needs of the people and ascertained the best way of reaching them with the Gospel in view of the changing conditions brought about by the massive immigrations of Jews from all over the world. Many of his experiences he has recorded in a color movie, entitled, "Gathering the Dispersed of Judah."

With his knowledge of the Scriptures, his Jewish background, and the active part he took in the historic events in
