

THE DECLINE IN MORALITY

(continued from page Two)
a mother a bonus for her ill-fated children and if she neglects them sufficiently she can save enough out of her A.D.C. (Aid to Dependent Children) payments to keep herself and her boy friend in wine and gin.

call it "realism." Why do we let them fool us? Why do we let them see us as a nation of degenerates, as a nation of degenerates, as a nation of degenerates...

IN NURSERY
Several months ago an American touring company, sponsored by the State Department...

found time to quell the Comanches, plow up Kansas and build the transcontinental railroad, while spending practically all their time in the hay.

Where payola becomes a way of life, expense-account cheating becomes a habit, and a nation is in danger.
