Indications however are that the team is coming to life as indicated by the shut-out handed to the strong Cradock team last Monday night. In the meantime it is the Bachers who are setting the pace for the rest of the team.

ROCKFORD

Mrs. Edith Wink and Mrs. Madeline Dams of Simcoe had supper on Saturday with Mr. and Mrs. Andy Buck. O.P.P. Con. and Mrs. Robert Marsh of Welland spent the week end at the home of Len Herron and Mrs. W. William Lemery.

Mr. and Mrs. Colin Gilbert of England are visiting their uncle and Aunt, Mr. and Mrs. Joseph Bernard. The Annual Christmas Con. will be held on Thursday, December 19th. Sunday supper guests of Mr. and Mrs. Robert Chandler were Mr. and Mrs. George Beattie and Johnny of Hamilton and Miss Linda Ward and Jim Nelson of Hartford.

On Saturday evening a number of young friends of Mr. and Mrs. Robert Marsh met at the home of Mr. and Mrs. Reg. Florey in the form of a shower. Mr. and Mrs. Donald Chambers and family visited on Sunday with Mr. and Mrs. Arnold Sloan of Renora.

The University of Toronto newspaper "Varsity" created quite a stir this week through an editorial denouncing Repeal of the War Service. Quite recently the substance of the editorial was denounced by the Canadian Legion spokesmen and others. If we had a newspaper responsible for such things we'd be paying his own tuition fees. We hope the time never comes when those who are left to enjoy freedom of thought and action fail to manifest respect for those who laid down their lives to preserve that right. We continue to believe those men went forth in that cause because of a basic love for their country and the things it stands for. Patriotism is not something to be ashamed; honest pride in history and faith in destiny are not to be despised. It's hard to believe any thoughts to the contrary could possibly come out of our higher institutions of learning.

LETTER TO THE EDITOR

(continued from page one) the puzzle are beginning to drop into place. We charge that certain members of the council and their friends having seen their favoured school board candidates knocked out by a very large majority in the 1962 election, organized the Parent Group for the purpose of harassing, intimidating and disgusting the unwanted trustees to the point where they would resign and any other ordinary decent citizens would be reluctant to accept a nomination to the School Board. Thus the 1963 School Board found itself hampered on one side by unending complaints from the Parent Group and on the other side harassed by certain members of the council to settle these complaints. Mr. Editor, this is more most unpleasantly slanted to make the Parent Group appear to be struggling heroes and everyone else a villain. It is this way reasonable people approach their elected officials with a request. Having watched this idiotic hassle over the "School question" proceed now for nearly a year we think the pieces of

There must be a good deal of excitement in the life of a driver's license examiner—varied by occasional moments of dramatic excitement. born on December 7, 1961, she showed dramatic character.

The Congregational response, as sponsors of this Sacrament, indicated that they were all quite satisfied that everything had been most appropriate; that all had shared in a most significant experience in the life of the minister and of the worshippers at Knox Church.

The Presbyterian Young People had their first full program of the season on Sunday evening the tenth of November. Thirteen youths were on hand with regrets from several others who could not make it. One item of interest at the program was the introduction of their new minister, Rev. G. Taylor-Munro, by the President, Keith Chambers. The new jet-set cars are not stored, they are aimed," said Mr. Taylor-Munro. "We will be content to give you an 'Aim' travelling in your group, your church and school."

In order to assure these young people higher grades and more free time the minister presented a brief outline of the Effective Study Method prescribed by the Institute of Child Study, the University of Toronto.

Following a brief presentation of Presbyterian Young People's Program Content, Mr. Taylor-Munro, withdrew from the meeting to put in an appearance at the Knox Church.

The evening concluded with a pleasant round of games and talk of the coming Christmas season plans. Signed Marlene Smith, Sec. Treas.

Two programs were presented by Mr. Taylor-Munro. The first was a brief prescription of the Church Calendar.

The second was a simple outline of the content of Presbyterian Young People's Program. These included Worship, Evangelism and Stewardship, Fellowship (or social) and Leadership Training. The meeting concluded with the Misses Benediction.

FALL YOUTH RALLY IN JARVIS

On Friday night, November 8, more than 800 Young People of the Christian Reformed Churches of the Niagara Peninsula gathered at the Jarvis Community Centre for their annual fall rally.

The rally started with a hymn sing in which everyone participated. The main event of the evening was the speech by the guest speaker, Rev. John Friend from Simcoe, who spoke to us on the subject "Open Your Eyes", which was the theme of the rally. In this speech he encouraged the Young People to open their eyes to the dangers of the world and not to yield to them, but to lift their faces up to high things.

Refreshments were served after the rally by the Jarvis Young Ladies Society. The Young People came from such places as St. Catharines, Welland, Woodstock, Brantford and even from across the border, East Palmera, N.Y.

Mrs. Johnson will be in charge of the worship service. Program—Mrs. Bousfield, Mrs. E. Marr. Roll call—How to promote peace. Mrs. Keiffer will be our guest and show pictures on Upper Canada Village. Lunch—Mrs. Welt and Mrs. Bailey.
