The Electors of Haldimand-Norfolk did exactly what we expected them to do. The outstanding representation given to this riding by the Hon. James N. Allan earned for him the re-endorsement of his employers and he was given a reasonable bonus which will, no doubt, stimulate him in the years ahead. It was gratifying to see this result and confirms our confidence in the ability of the electors to bring in a proper verdict.

There were some sidelights to the election that might be recalled with amusement and satisfaction. The first of these incidents concerned the mixed up, rattle brained editor down in Port Dover who, within a week, reversed his advice to his readers. Two weeks before the election he confirmed in the public print that Jimmy Allan was the best representative Norfolk County ever had. The next week he was really getting

over a hangover when he composed some verse in support of Johnny Cooper. He even said that if anyone didn't vote for Cooper they would be stupid. Well, the Port Dover electors reacted to that advice by giving Jim Allan the biggest majority ever accorded him in the Lakeside Town.

Sam also took occasion to try and sell the idea that we were suffering from headaches and belayches as a result of the election. This was before the results were known of course. Sam, apparently, doesn't know we had the cause of belayches removed about three years ago. The only time we get a headache is when someone shows a Leaf under our nose.

Perhaps we shouldn't be so positive about headaches because Otto King hasn't been in. If he comes and persists in staying any length of time it may be necessary for us to acquire a headache in order to profit from our win. On the other hand he may just pay the debt and go home in which case incidents concerned the mixed up, rattle brained editor down in Port Dover who, within a week, reversed his advice to his readers. Two weeks before the election he confirmed in the public print that Jimmy Allan was the best representative Norfolk County ever had. The next week he was really getting

Another delightful incident arising from the election emerged after a meeting of the Hal-

demand Liberal Association on the week end. The minutes said that the Riding Returning Officer While we have known for a long time that it would be almost impossible to replace the Returning Officer for Haldimand-Norfolk it is gratifying indeed to find the official opposition of the same mind.

The President of the Haldimand-Norfolk Liberal Association has informed us that he is prepared to defend to the death the outstanding qualities of the Returning Officer. Such a declaration is indeed, a step forward in political relations. Maybe we can get the President to have a little talk with Sam. Wouldn't it be amazing if he were successful in his researches.

Next week we might get back to describing our travels again. But you can't wait.
