

It is hard to imagine that Jack Nicol will no longer be delivering the mail on Rural Route 3 after the end of the month. It causes us to reflect on the faithful discharge of his duties over the years. It seems a short time ago that we waited for him to get up the waxy hill under the muddy conditions of springtime 1918. The funny part of it is Jack looked the same to us then as he does now. Jack never had much to say but he never failed to respond to a request for service—whether it was delivering groceries or medicine. Everyone will miss Jack on the familiar job and he can retire knowing that the goodwill and appreciation of his patrons go with him.

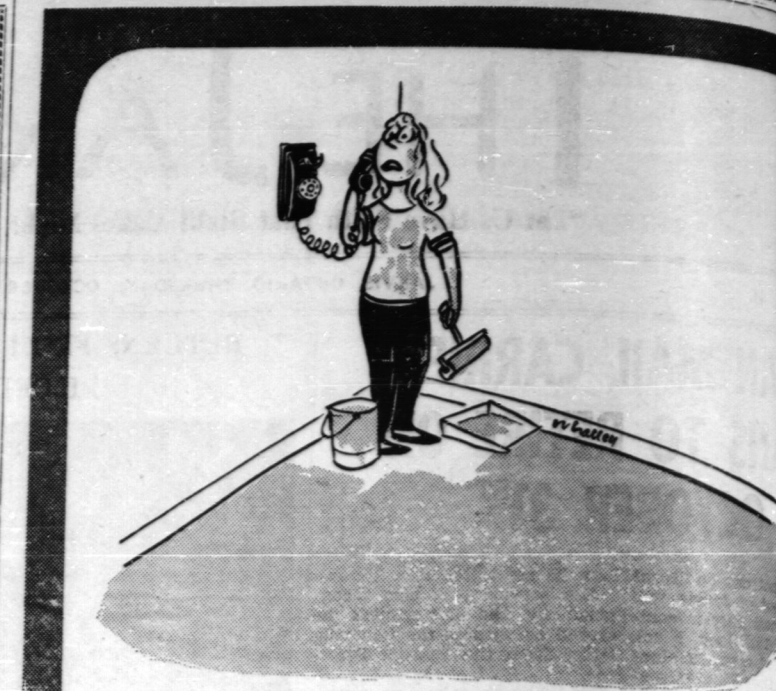

We had hoped to get back this week to a further recall concerning our trip to California earlier this year. We have some observations concerning the Capital City of Sacramento and the Lake Tahoe district and Reno. It was at Reno we listened to a most talented organ player. Perhaps we were surprised to find good organ play-

era in other places than Jarvis. Of course, it could have been the general atmosphere of the surroundings and the happy state of mind we were in at that time. Anyway she could sure play "Up a Lazy River."

We don't suppose anybody read the Port Dover Maple Leaf last week and the observations of the editor concerning our analyses of the election result. Too bad in a way because it was quite amusing. Sam has it all figured out that if the majority of people had not preferred the Hon. James N. Allan in the voting Johnny Cooper would have been elected. After having acknowledged that what we told him a dozen years ago about the Hon. Jim was absolutely correct, he is still looking for another Mitch Hepburn to lift his party up by the bootstraps.

In the same article Sam took some dirty slaps at Jarvis including a reference to this fine upstanding community as a "depressing area". He doesn't know it yet but he has incurred the wrath of our Mayor who would like nothing better than to institute charges of libel against Sam for this slanderous reference. We, likewise, have it on good authority that the President of the Haldimand Liberal Association is annoyed by the suggestion he wasn't elected. For Jim Allan's re-election, it wouldn't surprise us if he gets a new mouthpiece down in the lakeside area. Another enjoyable experience last week came when we happened to meet our old friend and election buddy, Otto H. King. We were gratified to

LETTER TO THE EDITOR

To The Editor,
The Jarvis Record.

I am very pleased to see letters coming out of the Springfield area with a tone of unity and co-operation admitting we of the North Walpole School Area have a common problem. This problem must be solved now, as I also am very sorry to see neighbours and friends torn apart by a difference of opinion.

Mr. John Hall stated at the nomination last year, "There is your way, there is my way, and there is the right way." In reality there is only one right way. The advice of the Department of Education and of many

leading respected citizens of our community has continued to be one central school for our area. Mrs. Lenora Winger said in her letter the Bible teaches us to forgive ourselves. As I think of the Lord's Prayer, I believe we are taught to forgive others their trespasses and we ask God to forgive us our sins. As a member of the Parent Group, at times I feel

we have shown resentment and hostility (because we felt our children were being neglected, and our efforts to remedy the situation ignored). For any over-zealousness please forgive us. Let us in humility meet without strong words and facing the problem as an area (forgetting all sectional thinking) let us unite. Already we are being torn by divorce. Only as a last re-

sort can this be. Even then, so often the parties later wish used mature judgment been more tolerant of each other. Sincerely,
Do your Christmas early.

H.L.S. NOTES (continued from page one)
Soccer leagues and cross-country competitions for boys and volleyball for the girls, are in full swing.

In soccer, our boys have done rather well, winning from Cayuga twice and Smithville once, tying with Caledonia twice, and losing to Dunnville. Main goal-getters are Nick Montague, Bev Hill, Denny Wilson and Fred Mcken. Two regular games remain: Oct. 15-Hagersville at Smithville; and Oct. 18-Dunnville at Hagersville.

Our cross-country team has won consistently, the seniors dominated by Jim Herkimer and Larry Weaver, the juniors by Rick Maggio, Jim Bier, and

Charles Thorell. The girls have not been so successful in Volleyball, though they have always put up keen competition. Seniors won from Smithville and tied Cayuga, Dunnville, lost to Caledonia and Cayuga. Both teams won in exhibition games at Delhi.

THE CHARTERED BANKS SERVING YOUR COMMUNITY
through full-range banking responsive to growing, changing needs

"I'm going across to the bank for a minute"

Wherever Canadians live and work, a local chartered bank is nearby—a familiar, friendly source of financial services. Banking in Canada has been brought to people as in few other countries—the proportion of banking centres to population is among the highest in the world.

Every day more customers become aware that a chartered bank can not only guard their savings, cash their cheques and make loans, but help in many

other ways too. They find new banking services being introduced, others being changed, improved or enlarged. For example: personal money orders, life-insured loans, company payroll plans, night depositories, banking by mail, safety deposit boxes—the list could go on and on.

The local branch of the bank is the one place where you'll find complete banking facilities—all under one roof.
