withstanding. It takes a long time for our announcement of the proper of

applied for your **Social Insurance Number?**

Your government is issuing Social Insurance Number Cards in place of the unemployment insurance numbers that most employed people have had until now. The new numbers will help government to use modern office methods for greater efficiency in handling unemployment insurance, and also other

social benefits such as proposed pension plans. For these reasons, you are invited to apply for a Social Insurance Number, even if you are not a contributor to the unemployment insurance plan.

If you haven't yet applied, here's what you do. IF YOU ARE AN EMPLOYEE your employer will give you an application form. Fill it out and return to your

employer promptly. IF YOU ARE UNEMPLOYED and drawing benefit you will complete an application form when you report

to the Unemployment Insurance Commission in person or by mail. IF YOU ARE AN EMPLOYER registered with the Commission, you will receive application forms automatically. If NOT registered with the Commission please get in touch with your local U.I.C. office and application forms will be sent to you. Distribute lication forms to your employees, have them com bleted and return them together, not individually,

to the Commission. COMPLETE YOUR APPLICATION NOW

CHECK-UP

(Intended for last issue)

The Great Lakes shipping season got off to one of its earliest starts in years with the opening last week of the Welland and Sault Ste. Marie Mich., canals and the harbor at Port Arthur.

But spring reports at the STOCK Highest Prices for Disabled or Crippled Cows & Horses
- Old Horses 5c per lb. -JIM MURRAY

at Port Arthur.

But spring reports at the same time show that the world's greatest inland waterway is losing its most precious commodity...water.

Precipitation during the winter was unusually low and the result is a massive headache wood supply-about three times _ or _ JACK PHIBBS, 768-5686

result is a massive headache for shipping companies, hydro electric power authorities and cottage owners throughout the Great Lakes basin.

Lake Huron's water level, three feet below normal, is at its levest since records becan PROFESSIONAL CARDS

its lowest since records began in 1860 and Lake Michigan, only one of the five entirely in the United States, is almost **PHYSICIANS** DR. M. KRAWETZ

only one of the five entirely in the United States, is almost as low.

Lake Ontario is down two feet from normal. Lake Erie, shallowest of the five is down aboutt 18 inches and Lake Superior has dropped about one foot. The St. Lawrence River level between Kingston and Iroquios is the lowest in 30 years.

Lower-than normal precipi-

Lower-than normal precipitation has been accompanied by unusually high evaporation aggravating the situation.

Capt. Bert Bazeley, fleet manager for Upper Lakes Shipping Limited of Toronto, says each of the company's 10 large carriers is shipping 1,000 ttons lighter than usual every tip because of trouble getting into ports. Other fleets have similar troubles.

BARRISTERS - SOLICITORS MARRISTERS & SOLICITORS NOTARIES PUBLIC Harrison Arrell, Q.C. Frank J. Brown, B.A., LL.B. Argyle & Caithness Streets CALEDONIA, Ontario Telephone RO. 5-2621

mto ports. Other fleets have similar troubles.
Tourist - home operators, commercial fishermen and cottage owners have literally been left high and dry. At Collingwood, shipbuilder Alexander Webster said he is hesitant shout constructing new years. COLLINS and BUNT, DUNNVILLE, Ontario BRANCH LAW OFFICE SELKIRK, Ontario Wednesdays: 2.30 to 5. P.M. former Telephone Exchange Building near the Bakery about constructing new vessels in case the water....down four feet in three years...falls too low for launching.
