Nevertheless we suspect Jim and Jack too, will find a place for the windfall just as we would if the whole of fortune would spin in our direction under the same lucky circumstances. The thing we feel about the Lions draw is that most people we find, consider it a matter of support for a worthy cause and we are, indeed, thankful that the efforts of the Jarvis Lions Club are so regarded in their continue in the spirit that presently pertains and that is to render a service to the community in which the members live.

But to get back to the opening sentence. Hereafter we must go home in the draw is over. We must give up this instinctive inclination to celebrate with the happy winner. It wouldn't be so bad if we had the good sense to know when it is time to go home. If we had stayed with the winner last Saturday night much longer we

The Angel said: "Thou shalt have thy Name Jesus; for He shall save His people from all iniquity." True Christianity is not a religion, it is a life. It is a higher, richer life with God than any other. It is a life that is not of this world, but of the next. It is a life that is not of the flesh, but of the spirit. It is a life that is not of the world, but of the Kingdom of God.
