LOCAL ASSOCIATION OF GUIDES AND BROWNIES

The Local Association for Guides and Brownies of Jarvis met at 2:00 P.M. Wednesday, February 12, with the District Commissioner, Mrs. E. Anderson, presiding. Plans for the Guide and Brownie Cookie Day were discussed and it was decided the Jarvis group will meet in Jarvis early in May with Mrs. Heaton acting as co-leader.

ABILITY COUNTS

The idea that we have to shift moods every term so that we can alternate French and English is ridiculous. If we get a good man with some ideas into that school, he should have the privilege of a second, or least that's what I've found in the years I've been bowling. Regardless, I would myself use the four step over the three step in both games.

BOWLING CLINIC

— By Jim Kneahan —
The Four Step Approach: The four step approach is used primarily by ten pin bowlers. As they require the extra step to keep their timing and co-ordination are a lot easier to throw off in ten pins than in five pins. When you do throw your timing off in five pins it's hard to get back second, or least that's what I've found in the years I've been bowling. Regardless, I would myself use the four step over the three step in both games.

THE FOUR STEP

First step is a half step at the same time you push the ball away from your body the same time you drop the ball parallel with the feet.

SECOND STEP

Second step is a normal step at the same time you drop the ball parallel with the feet.

THIRD STEP

Third step is also a normal step at the same time you bring the ball into the back swing no higher than shoulder height.

FOURTH STEP

Fourth step is the final and side step which brings us to the front foot. The ball is brought the ball out over the foul line about six inches and follow through.

THE FOUR STEP

As an approach, as all approaches, it is used deliberately.

Thousands Tour New West Haldimand General Hospital at Hagersville

THE HON. MATTHEW DYMOND AND THE HON. JAMES N. ALLAN CUT RIBBON AT OFFICIAL OPENING CEREMONIES ON FEBRUARY 22ND

The Hon. Matthew Dymond, Minister of Health for the Province, assisted by the Hon. James N. Allan, Provincial Treasurer and member of the Legislature for Haldimand-Norfolk, cut the ribbon at the official opening of the new West Haldimand General Hospital at Hagersville on Saturday, February 22nd.

The official opening of the new West Haldimand General Hospital at Hagersville was a magnificent job in preparing the premises for the opening ceremonies. Some of the trades have not completed their work and this presented great problems to the house-keeping staff. They rose to the occasion, however, and the Hospital looked very nice for the official opening.

The limited hospital staff already on duty, had done a magnificent job in preparing
