like hospitals this week or we'd tell our readers about some of the stuff appearing in the Lakeside Funny Paper last week. More benefits have accrued to Norfolk County through the efforts of their Legislative Representative in the past than a milting the past than any other one hundred years in history, yet the cryptic crabber complains it is not enough. Now that he has hold of the reins in Ottawa we'd like to know the reason the Port Dover Harbour hasn't been deepened? Perhaps he will let us know why "The Voice of Norfolk" hasn't delivered so passenger ships can dump tourists into the community. Maybe Sam figures they're not getting paid enough down at Ottawa to the first into the community. exhibition game and ended up right where they started, each team scoring five goals. The Port Town boys opened the scoring in the first period which ended one nothing. In the second period Port Dover added two more to their total while Jarvis scored once. In the final in the Hagersville Arena when he attributed the loss to penalties. The coach gave the boys some very good advice. Even at that one of our reporters informs us that in a crucial game on Saturday night the team lost another one with a player in the penalty box. We didn't learn the name of the player but it certainly verifies the soundness of the coach's advice, referees notwithstanding.

There were a couple of errors in last week's write-up. First, that none of the All-Stars team players would be taking part in the play-offs. These players will be taking part. The other was that there would be no further play-offs after February 29th. There will be play-offs on Saturday, March 14th. That will complete the season.
