PROGNOSTICATIONS OF MANY THINGS

I've been reading the various predictions about Canadian progress in 1964. As usual, these men, in responsible positions, are cautious in their approach. Just the same, when you add up all that is said you get a picture of optimism. Canadians are getting a payoff for the effort they have shown in recent years, and if we continue to act sensibly we can look forward to a continuation of the current economic expansion.

There is always, of course, a fly in the ointment. We have a balance of payments problem not yet completely solved. And we are close to the point where shortage of equity capital can cramp our style. We can't afford to slow down if we hope to find jobs for the 150,000 young people who enter the job market each year. We have been in a growth rate of about 6% a year to create those jobs, and that means somebody has to risk capital. Canadians are often too intent on security to have anything left over for investment . . . at least our politicians treat us as if we were chiefly concerned with security, and their spending along such lines has reached new highs each year.

Oddly enough, some of those who cry the loudest about our unemployment problem are the very ones who urge more and more social spending and taxing - - the things that actually use up equity capital badly needed for growth and increased job opportunities.

One of the things that struck me most forcibly in reading the predictions of Canadian leaders was this: there was very little name-calling. Canadian business and labor are starting to respect each other and work together. If they keep it up, we can count on pretty steady progress.

My own guess is that 1964 will be a good year. The consumers have money and they

MANY LOCAL PEOPLE IN HOSPITAL

Many local people are in hospital but we are happy to report that most are in the stages of recovery.

Presently in the Norfolk General Hospital are: Drew Williamson and Bruce A. Miller, both of whom underwent surgery last week; Mr. and Mrs. Ivan Smelser who are recovering from injuries suffered in an auto accident several weeks ago; Mrs. W. J. Bailey who was struck by a car on Main Street several weeks ago; Arthur Phillips who is receiving treatment; George Osborne who underwent surgery two weeks ago. Jarvis citizens in Hamilton Hospitals include Harry Belbeck (surgery). S. J. Church and Lloyd Garner Jr.

We recently visited St. Peters in Hamilton and found Mrs. C. S. McCarter, Alice Robinson and Mrs. D. F. Kindree able to enjoy the Christmas festivities.

ONTARIO SAFETY LEAGUE

1. The Ontario Safety League quotes this recent note to an insurance company from a satisfied claimant: "I was so impressed with your service I was going to insure with you myself, but decided to do you a favour and stay away. I'm a lousy driver."

2. An interesting U.S. court decision is reported by the Ontario Safety League. A car owner who left his keys in the ignition was held responsible for a crash caused by a thief who stole it.

3. Light refreshments can be valuable to a driver, in helping to offset the effects of fatigue, says the Ontario Safety League. But it is not true that strong black coffee will offset most of the effects of drink. In fact, experiments at Indiana University indicate that coffee prolongs the effects of alcohol, rather than working against them. Only time can eliminate alcohol from the system.

5. A small child standing on the front seat of a moving car may be injured in a collision or sudden stop, which would have no effect on small adults, could seriously injure a child standing unrestrained on the front seat; he would be pitched heavily against the windshield, or instrument panel. Children are best protected in cars by seat belts (models for children are available now). Never, ever let a child stand on the seat of a moving vehicle.

WALLACE W. MITCHELL FATALLY INJURED WHILE REPLACING PUMP IN WELL

On Thursday afternoon of last week January 9th at approximately 3 P.M. Mr. Wallace Wilfred Mitchell of Townsend Township, 2 miles west of Jarvis on the Blind Line was fatally injured when replacing a pump and pipe into a water well on his farm.

He was struck on the right side of his head when it is thought the bottom lift jack he was operating slipped allowing the approximately 30 feet of pipe to drop suddenly and the handle of the top lift jack flew up striking Mr. Mitchell. He was being assisted in the operation by two neighbours, who immediately summoned Dr. M. Krawetz of Jarvis who rendered first aid and had the injured man removed to the Norfolk General Hospital in Simcoe, where doctors immediately performed surgery. Despite their efforts Mr. Mitchell passed away Saturday morning.

Dr. McIntosh, Coroner of Norfolk County, investigated and an inquest will not be held.

OBITUARY

WALLACE W. MITCHELL

The funeral of Wallace Wilfred Mitchell was held Tuesday, January 14, 1964 from the Jarvis Funeral Home in Simcoe with interment in Knox Presbyterian Cemetery, Jarvis. Friends of a lifetime filled the church and overflowed to the funeral home where the service clearly heard in the building. Rev. Terrence G. Taylor, minister of Jarvis and Hagersville Presbyterian Church conducted the funeral service and the Committal service at the graveside. Pallbearers were among Wallace's neighbors Messrs. Neal Hoover, Ross Gibbons, Alfred Wilkinson, James Davidson, Jack Bowman and George Anderson. Honorary Bearers, from among Wallace's nephews and other connections were Messrs. Ivan Gardiner, Clarence Gardiner, Nelson Carmount, Ian Gardiner, James Davidson, Wm. Davidson, and Ross Nelson.

Mr. Mitchell was a well-known district farmer. He was a member of Knox Presbyterian Church, Jarvis, and had served on the Board of Management and as a Trustee. He was ordained to the Eldership and inducted into the Session of Knox Church on April 1, 1962.

Mr. Mitchell is survived by his wife, Ina (Duncan); his son Lorraine and son in law, Frank Mitchell of Townsend; two brothers, Charles and Percy Mitchell of Townsend, and two sisters Isobel and Jessie Mitchell of Jarvis, and a predeceased Wallace.

The pallbearers were relatives of the loveable native of Delhi man and of his admirable character is the throng that packed family who mourn his sudden and tragic passing.

DIED

—Nellie Beatrice (nee Gee) passed away in Dunnville Memorial Hospital after a short illness on Wednesday, 27th year on Wednesday 16, 1964. A meeting of the Selkirk Business Men's Association was held on Friday evening, January 10th for the purpose of re-organization.

New officers elected by the group were: President-Grant Lindsay; Vice President-Manager; Secretary-Harold Sherk.

Aims of the organization are to promote better business as well as to improve conditions in the community. Future meetings will be held in the Town Hall on the first Monday of each month.

After the meeting a delicious lunch was served by the host, Mel Wager.

WALPOLE MUNICIPAL COUNCIL HEAR NEW PROPOSAL AS A SOLUTION TO NORTH WALPOLE SCHOOL AREA PROBLEM AT INAUGURAL MEETING

NEW SCHOOL BOARD ASK FOR $160,000.00 GRANT

The inaugural meeting for 1964 of Walpole Township Council was opened with a devotional service conducted by the Rev. Paul Nie of Springvale. Presiding at the two day session was Reeve Edward Montague with councillors present: Hugh Greenfield Deputy Reeve, Bruce Meehan, Blake Field and newly-elected Councillor, Harold Nie.

A grant of $10.00 was made to St. John's Ambulance Fund and $1250.00 to the Haldimand Federation of Agriculture.

Bruce Marsland, Township Assessor, asked for clarification of the By-law regarding trailers in Walpole Township.

Township Clerk Charles Cox asked approval for a system of recording the Assessment Roll and the Collector's Roll which would make for the saving of time. The Assessor signified his willingness to use the recommended record book which was approved by the Councillors present.

The five man School Board from North Walpole Area attended in a body and presented a petition asking a grant of $160,000.00 for the building of two four room schools in North Walpole —one at Springvale and one at Garnet. The Council expressed approval in principle but found the petition would need re-wording to conform with the terms of the Public School Act.

The School Section of Nober, a Union School Section comprising Townsend and Walpole no's 12 and 16, being involved in the problem, Reeve Montague proposed to call a meeting in the Nober School, notifying in writing all ratepayers in Townsend and Walpole—of the Nober Section, the Townsend Council and North Walpole Area School Board, to meet with the Walpole Council for the purpose of studying all angles of the problem. This meeting was set for Wednesday, January 22nd at 8.15 p.m. at Nober School.

The new Ontario Government Loan program was noted as regarding grants for new school buildings, whereby instead of a debenture the amount of money needed, up to twenty per cent of the area taxation might be borrowed at a very low rate of interest. This new legislation will be brought to the attention of the North Walpole Board in writing.

A By-law was passed appointing Edgar Waldbrook to the Board of Health for 1964, also one to provide for the borrowing of money from he Canadian Bank of Commerce at Jarvis not to exceed $175,000.00 until such time as taxes shall be available.

Appointments to the Community Hall Boards were: Hagold Nie, Blake Field—Cheapside; Edward Montague, Blake Field—Nanticoke; Hugh Greenfield, Bruce Meehan—Springvale.

Truant Officers—North Walpole, Charles Howard; South Walpole—Cecil Hedges.

Relief —Hugh Greenfied d, North Walpole; Ted Montague, South Walpole.

Niagara Development —Blake Field.

Fence Viewers —Earl Carpenter, Harold Evans, Richard Rushton.

Poundkeepers—Harold Evans Arthur Cowan, David Lint.

Valuators—Frank Ford, Earl Carpenter, Hubert Field, Lloyd Smith.

Communications were noted, including regulations from the Department of Lands and Forests.

Road Superintendent, Harvey McKenzie, presented Road Accounts which were approved as well as general accounts examined and approved.

ZONE CHAIRMAN ELSON HELD PAYS VISIT

Zone Chairman Elson Held of Fisherville made his official visit to the local Lions Club at their regular meeting on Monday night last. He was accompanied by ten members of his own club.

His address was enthusiastically received and he dealt mainly on subjects of interest to Lion members, stressing the importance of the aims of Lions clubs of rendering service to others not themselves.

The Zone Chairman was introduced by Lion Ed. Stire and Lion Jack Cooke expressed the appreciation of the club and presented the Zone Chairman with a gift on behalf of the Jarvis Club.

Several reports of Committee Chairmen were received during the business session. Lion Ken Parkinson reported 17 hampers were distributed in Jarvis and district by his Welfare Committee with the much appreciated co-operation of non lions members and church organizations in the area during the Christmas season. Lion Ted Montague announced the annual Minstrel Show for 1964 was well underway with practices being held every Tuesday evening at the Community Hall. Sincere sympathy was extended to Lion Don Mitchell and family in the sudden tragic loss of his father. Lions Fred Fish and Cavell Ionson were re-elected to the Hall Board. Lion the Rev. W. O. Straw suggested as a project to erect signs at the four entrances of the Village to urge motorists to protect our children.

A short Director's meeting was held following the regular meeting.

JARVIS HARDWARE MEMBER DEALER OWNED WHOLESALE

FIRST IN ONTARIO

As of January 1st 1964 Holinger Hardware Ltd. became the first dealer-owned hardware Distributorship in Ontario. The move is being made to make individual hardware merchants more competitive with the big chain and discount stores.

One hundred and twenty-six Ontario and Quebec retail hardware stores eliminated the middleman this week in a move to make them more advantageous with chain stores and discount stores.

Spread throughout Ontario from Ottawa to Windsor and as far as Buckingham, Que., they have taken over Hollinger Hardware of St. Jacobs, one of the province's five big hardware distributors.

It is the first hardware business to become dealer-owned in Ontario. There are two in western Canada and one in Quebec. The member stores will be known as Home Hardware stores, retaining their own name for individuality.

"It is another move in this revolution in retailing whereby we hope to reduce the cost of merchandise to its lowest point, making us competitive with the discount houses and chains," said 42-year-old Walter Hachborn, named president and general manager.

The 85-year-old firm in this village of 900 in the Mennonite district of Waterloo County will operate much like a farmer's co-operative.

Guided by a board of directors of nine dealers the firm is shooting for sales well above the $3,000,000 figure it achieved last year. Sales have grown by $500,000 a year in the last few years.

The co-operative arrangement will have many advantages for the dealers and buying public, said General Manager, Mr. Hachborn.

The Hollinger officials have been investigating the co-operative plan since 1957. They have made several trips to the United States to watch the program operating there.

The company was formed in 1878 by the late Henry Gilies whose two grandsons, Henry and Roy, work in the firm today. Mr. Hollinger bought the Hardware in 1934 when purchased by the late Gordon Hollinger, and moved into the wholesale field the following year. At that time the firm was managed by Henry Stittler, now assistant general manager.

Jarvis Hardware has been owned and operated by Fred Fish for the past fifteen years and with this move he hopes to make Jarvis a more interesting place in which to deal.

MRS. STANLEY MITCHELL ENTERTAINS INSTITUTE

Mrs. Stanley Mitchell entertained the Jarvis Women's Institute at her home for the January meeting when the West Haldimand President, Mrs. Wm. Mitchell and Secretary -Treasurer, Mrs. George Smith, both of Hagesville, were guests.

Mrs. Ted Harris, Branch President, was in the chair with 32 members present and 13th. Mrs. Church was named leader with the privilege of choosing her own assistant.

The Annual Competition was announced as a song written as an anthem for the A.C.W.W. Pennies' for Friendship were approved at $5.00 to be paid at the District Annual Meeting. Mrs. Porter and Mrs. Blake, with the President and Secretary were appointed to buy the drapes for the Principal's office at the Public School.

Mrs. R. A. Miller, Mrs. Stanley Mitchell, Mrs. Harris and Mrs. Church were named as a committee to investigate the possibilities of fitting up a Board Room at the Community Hall or the Municipal Building.

February has been labelled as Fun Month and the meeting will be held at the home of Mrs. W. E. Craddock with Mrs. Blake, Mrs. Stallwood, Mrs. Lundy and Mrs. Robert Dosser as Lunch Committee.

The motto, written by Mrs. George Anderson was read by Mrs. Wallace Mitchell.

Mrs. Wm. Mitchell, District President and member of the West Haldimand Hospital Board outlined the progress of the Hospital Project, showing slides of the building in various stages of construction, the first meeting having been held in 1958 when the Board was set up. She announced that Women's Institute members would be allotted a day for viewing the building, tentatively February 20th.

Mrs. Smith also spoke briefly recalling that she was a former 4-H girl of Jarvis Women's Institute and expressing her pleasure in attending the Jarvis Branch once again.

Mrs. Harris conducted a contest with the two visiting ladies as winners.

The hostess and Committee served a dainty lunch.

HISTORIC RITES MARK INDUCTION OF NEW RECTOR

On Sunday evening the Reverend W. O. Straw Lth was inducted as Rector of the Parish of St. Pauls Church Jarvis and Christ Church Nanticoke. The service, a historical ritual of the Anglican Church, was conducted by the Lord Bishop of the Diocese of Niagara, The Right Reverend Walter F. Bagnall D.D. D.C.L., and he was assisted by clergy from other parts of the Diocese including The Reverend G. P. Holmes of Hagersville, The Reverend E. Wrightson of Cayuga, The Reverend R.S.G. Richardson of Hamilton and Mr. F. J. T. Broadbent, Registrar of the Diocese. After taking the oath of office from the Bishop, the new priest of the parish received the charge as Rector of the care of souls in the Parish. A procession led by the Crucifer and followed by the Rector designate, the Bishop and the Church Wardens of both Churches in the Parish, processed from the Baptismal font to the prayer desk, to the lectern, to the pulpit and finally to the altar; at each place portions of scripture were read and prayers said by the Bishop. The actual induction of the new Rector then took place

The Lord of the parish, by tradition, were presented to the new Rector by the Church Wardens of St. Pauls and Christ Church, Mr. Ted Meade and Mrs. Elma Field of Nanticoke and Mr. Neale Hoover and Mr. Roy Field of Jarvis. The service was conducted by Mr. Ted Payne.

The sermon was preached by the Bishop of the Diocese in which the people were reminded of their obligation to follow in every part of their life the Christian way of life as professed in the Holy Catholic Church of which they were members. This was a ministry of all people, the Bishop went on to say, Priest, laymen and laywomen all work in the ministry of Christ each in his own way. The people were also reminded that they must in no way obstruct the will of God in their lives, as in the Church.

The service closed with the Blessing given by the Bishop, to all present. The Choirs of both Christ Church Nanticoke and St. Pauls Church Jarvis joned togther to assist in the singing of the Hymns. The organist for the service was the Reverend H. F. Thomason, Rector of St. Lukes Church, Hamilton and Director of Music for the Diocese of Niagara.

Immediately following the service a delightful social time was enjoyed in the Parish Hall. The women's groups of both churches in the parish served a delicious lunch and those joining in the festivities were the wives of the Churchwardens, Mrs. Elmo Field of Nanticoke, Mrs. Neale Hoover of Jarvis, Mrs. Ted Meade of Nanticoke and Mrs. Roy Field of Jarvis. As tea was served the visiting clergy were introduced to the large gathering and the Bishop was able to renew acquaintances with many of the parishioners present.

AT THE CHURCHES

KNOX CHURCH NOTES

The Church School open session and the regular morning worship service at Knox Presbyterian Church on Sunday the 19th of January, 1964, will have two emphases—The Ministry of the Laymen in the membership and in the community and the work of the Canadian Bible Society.

This is the first of what may become a series of four Laymen's services during the church year when the minister is conducting Sacrament of Holy Communion at the other preaching point. As an experiment in Christian Service the program promises to have many virtues. It recognizes the gifts and the contributions of the membership of a social unit in our culture which all-too-often are missed as we tend to leave the prayers and the preaching to the clergy. As a great Quaker theologian of our day has said of the conventional congregation: "It is no longer, nor can it be if Christian community is to survive, a matter of all ministers; the clergyman training the members to minister."

Messrs. Gordon Milier, Clarence Mitchell, Ken Mulkins and Bill Saunders will conduct the 11.15 morning worship on behalf of the membership. Mr. B. G. Gomme of Hamilton, a Layman, a technician with the Westinghouse Company, will bring a message for the Canadian Bible Society. The people who attend the Church School at 10 o'clock will see a twenty minute color-sound moving picture entitled "Another Beatitude". It is the story of a little Hindu girl who learns to read and, in the learning, becomes a Christian. This person is still alive, and though now quite elderly, still serves her Indian Community on behalf of her Lord and Master.

CHALMERS STONE CHURCH

It looks very much like a revival of the old-fashioned practice of holding a Preparatory Service before coming to Holy Communion. It might well be this very thing...but with an interesting emphasis...singing the Old-Favorite Gospel Songs.

Thursday night at the Chalmers Presbyterian Church, for forty-five minutes between 8.30 and 9.15 o'clock the minister, Major the Reverend G. Taylor-Munro will conduct a Preparatory Service. Most of the short service will be taken up with congregational singing in the old Calvinist style, sitting to sing. Some of the songs will include "Take the Name of Jesus" "The Old Rugged Cross" "In the Garden" Sweet Hour of Prayer "He Leadeth Me" and others. The brief message is called: "The Charlotte Elliott Story" and explains how Miss Elliott came to write her great poem "Just As I Am", which has found its way into every Gospel Song Collection edited to include the best ever written since.

Sunday morning the minister will conduct his first Communion Service (10 A.M.) with this congregation and then will remain to take part in the Church School session at 11.15 A.M.

The third in the current series of Communicant classes will be held at Chalmers on Monday, January 20 at 8.15 in the evening or by appointment.

KNOX CHURCH LADIES AFTERNOON GROUPS

[illegible] welcomed the Ladies Aid and W.M.S. of Knox Presbyterian Church at the first meeting of the year in the Manse on Tuesday afternoon January 7th.

Mrs. Cora McKenzie, President, opened the meeting with scripture reading and prayer. The Rev. Taylor-Munro installed the officers for the year calling upon all members to rededicate themselves anew.

Mrs. Elinor Hammond opened the W.M.S. by reading a timely New Year's message and announced that her parents Mr. and Mrs. Herbert Jones would be celebrating the 65th Anniversary of their marriage on February 1st.

The hostess convened the program opening with the 96th Psalm and sharing with all precious promises which had helped her along life's way. Favourite hymns were sung and Mrs. Taylor-Munro led in prayer.

Ladies were reminded to bring lunch to the Annual meeting slated for January 30th.

A dainty lunch was served by the hostess and committee.
