

P's this past week or two. The implication of his critics' views seemed to be that the Judge had erred in refusing to grant citizenship to a Haldimand County couple. In our opinion the meaning of the Citizenship Act and if the M.P.'s do not agree to change it, we should not require anyone to tell them whose responsibility it is to change it. As Judge Leach said: "Canada was founded under God and the Citizenship Act disempowered the couple because they professed to be atheists and declined to swear an oath of allegiance ending with the words, 'so help me God'."

There is some action in the wind with respect to a Centennial project in Jarvis. The suggestion in the forefront, at the moment, is entrance gates to the Park. A suitable entrance might not tie in with the time and we have no complaint Saturday night. In the meantime the Herford's will meet the same team in what will constitute the first game of the play-offs at Dieppe Park in Toronto Wednesday night (last night).

Haldimand County Judge W. W. Leach, has been the target of some fire on the part of M.P.'s.

Let CO-OP FEED add new life to fall pasture

Fall pasture does not possess the high food value of Spring pasture. Therefore, to maintain an optimum level of milk production this forage must be supplemented. By switching your herd to the CO-OP Winter Feeding Program now you will provide all the additional nutrients needed to prevent a Fall milk production slump.
