This has been an unusual season. A couple of weeks ago, when we were hunting one of Doc Austin's lost golf balls, we found a couple of real nice mushrooms. Elated by the discovery we suddenly realized that the weather was perfect for these delicious morsels. In fact we have since been told by some of our friends that there are plenty of mushrooms around. As a result we have spent every spare moment over the past two weeks trying to find some. Our efforts have been in vain. Consequently we are sending out our annual S.O.S. to any friends who might be willing to guide us to a mushroom strike. Any information in this direction will be greatly appreciated.

While the Jarvis Midgets were one game short of a Provincial Championship the celebrated Jarvis Herefords are continuing their quest for another Crown. Johnny Edwards, with the acknowledged best pitching arm in Canada, is performing at his best these days and he has every reason to be proud of the team behind him. In the play-offs to date the team has performed flawlessly. Undoubtedly Johnny Edwards makes a big contribution to this end. However it is thrilling to sports fans to see the team perform so well.

- - - - - -

Rusty was on holidays last week but he didn't get in any fishing. He was attending the business sessions of the Canadian Weekly Newspaper Association at the Royal York Hotel in Toronto. We're not sure that he will be in any condition to get a paper out this week. We base this opinion on previous experiences of our own when attending conventions. However his wife accompanied him so, perhaps, he will be greatly refreshed and ready to jump back to the monotonous routine for another fifty-one weeks.

- - - - - -

The West Haldimand General Hospital was almost bursting at the seams one day last week.

LETTER TO THE EDITOR

DISCRIMINATION OR EQUALITY IN OUR EDUCATIONAL SYSTEM ?

For several weeks I have followed the discussion regarding the problems of education in the Walpole area. The sum of $90,000 has been mentioned as the debenture for the Jarvis community. A question was asked and it struck my attention: "The Jarvis school board represents the school area taxpayers, feel it is dictatorially unfair to be asked to accept this debenture plus share of cost of transportation and receive nothing in usable assets or any school improvements in return. Would anyone not feel the same way?"

This has my full understanding.

Almost right within the Jarvis community there is another school, a private school, maintained and run by parents who as Christian citizens seek such a curriculum where religious would be an integral part of the whole system rather than a portion of the curriculum.

The School on highway No. 3 has a budget of $44,200 and needs an addition of three class rooms, a teachers room and a principal's room. plus washrooms, approximately $50,000. The School has some 240 pupils, 4 classrooms upstairs and 2 in the basement. It is in need for a seventh room and 2 rooms to replace the basement facilities.

We ask: Is it fair that parents who because of their convictions cannot have their children educated in the public educational system, therefore maintain such a costly project as described above, are still asked to support the new school buildings or additions of the Walpole area?

This matter is directly related to the right, duty and responsibility of parents to educate their children or have them educated within the philosophical framework that is in harmony with their convictions. For many parents the underlying philosophy of public school education is squarely opposed to their convictions.

State supported Roman Catholic Schools have succeeded in making their faith an integral part of their education, must this right not also be given to Christian parents for the education of their children ?

We should agree that Roman Catholics have a right to have their children go to support of education that is oriented according to their world and life view. The question that comes up in my mind is, does the parent who feels that this Word of God is relevant for all of learning and that wishes his child to be educated in such a system have a right to have his tax dollar applied to the support of that system ? Does the parent who for any reason feels that the public or separate school system is inadequate for the needs of his child have a right to have his tax dollar go in support of a system that he feels will meet the need he sees ?

Most certainly he does, provided the school is meeting the requirements of the government with respect to curriculum and buildings.

It is therefore unfair that the same parents are asked to support the public school facilities of the Walpole area and at the same time support the school of their own convictions.

Instead of discrimination. let us have true democracy.

— REV. P. KRANENBURG

CHIEF CONSTABLE WARNS WEEK-END DRIVERS

"At five p.m. on Friday, September 4th, the starter's Green Flag will go down for the annual Labour Day Holiday. You and your neighbour and all those who use the streets and highways will contribute to the heavy traffic during this period," said Chief Constable Joe Heastont of Jarvis.

"When the 'checkered flag' goes down at Midnight on Labour Day wouldn't it be nice if everyone had got home safely again. Unfortunately, many people will not get home safely and some will never come home again.

"Each year the Labour Day weekend is the peak travel period of the year. More people attempt to go further on this final holiday weekend of the summer season. And more visitors from the United States and other provinces are using Ontario's roadways."

"Getting safely to a destination and back home in the mid st of this enormous highway activity is in large measure the result of using your very best driving behaviour. Drive as though your life depended on it-because it does. Obey the signs and laws. They are not meant to inconvenience you. They are there to keep you alive and in one piece.

"Start the weekend with a mechanically sound vehicle, and if you are planning a trip of over 100 miles, take rest stops to stretch your legs and refresh your mind.

"Police forces throughout the province will be on duty at maximum strength in an effort to persuade you and the other fellow to drive sensibly this weekend," Chief Heastont concluded.

"Yes, it would be nice if everybody got home safely this weekend."

CONTINUE EFFORTS TO BRING INDUSTRY TO ARMY CAMP AREA

Representatives of area municipalities are continuing their efforts to bring an industrial establishment to the former Army Camp site in Walpole Township.

The committee met last week at Port Dover when it was learned that the sale of the site by Crown Assets Corporation will be delayed until September 30th. A representative of Crown Assets informed the meeting that the Corporation is interested in the highest and best use of the site and that it was a challenge for the area to develop the property into a peacetime industrial use. Jack Delaney of the Ontario Trade and Industry branch informed the meeting that no Federal or Ontario Government agency is presently interested in the property.

Councillor Pius Miller, Port Dover, Chairman of the meeting, named Edward Montague, Reeve of Walpole, William Courtnage, Reeve of Hagersville and Robert Perry, Reeve of Simcoe, a three-man executive to carry on as a promotion committee.

YOU CAN HELP US BUILD YOUR HOME—AND SAVE MONEY!

Can you handle basic tools?

Now you can use your spare time to reduce the cost of a new home! You can help us build it for you — you can do as little or as much as you wish. For many home owners we erect only the basic home, the owner does the rest — even saves more money by living in the home while he adds the finishing touches. If you own your own lot, you may need no down payment — and monthly payments can be amazingly low — and your home is paid for in 12 short years!

TENDERS FOR OIL

The West Haldimand District High School Board invites TENDERS for the oil requirements of The Cayuga Technical & Commercial High School for the 1964-1965 heating season. The type of oil required is bunker 6C. The estimated number of gallons required is 41,000. TENDERS must state price per gallon delivered in the tank of the said school.

Only those TENDERS received by the undersigned Secretary of the Board in sealed envelopes marked "Tender for Oil", on or before Saturday, September 12th, 1964, shall be considered.

The lowest or any TENDER not necessarily accepted.

LAMBS CORNERS W.I. MEET AT COUNTY MUSEUM

The Lamb's Corners Women's Institute held their August meeting at the County Court House. Due to a shower it was held in the museum room.

Roll Call (what our grandmothers missed) was answered by twelve members and one guest, Mrs. Earl Sider. After this our program convenor, Mrs. Wm. Lamb, presented each grandmother with an artificial orchid corsage in honor of Grandmother's Day.

The meeting opened in the usual way with opening Ode, Creed and the Lord's Prayer. Final arrangements were settled for the exhibits for Caledonia Fair. Plans were started to arrange something for our tenth anniversary.

Mrs. Howard Kitchen gave a paper on the motto (what is our generation leaving behind), followed by a contest (pioneering with grandmother) won by Mrs. Ralph Allan. The topic (from buckboard to streamline cars) was given by Mrs. Flo Lawton.

Mrs. Dorothy Parsons then showed us around the museum, pointing out the most interesting things.

We then journeyed down to the Log Cabin which was fairly familiar to some of the grandmothers and just as nice to the rest.

Several other contests were enjoyed by the grandmothers. The winners were Mrs. Howard Dennis, Mrs. Clayton Weaver, Mrs. Osborne Lamb, and Mrs. Geo. Hedges.

Mrs. Howard Dennis invited the members to her home in Nanticoke for the next meeting with Mrs. Flo Lawton, Mrs. Clayton Weaver and Mrs. Earl Willson to act as lunch committee.

The meeting closed with the W.I. Grace and "The Queen," followed by a picnic supper on the lawn.

WEDDING

OTTERMAN-RAWLING

Soft candlelight with bouquets of white gladioli and containers of ferns formed the setting for the marriage of Jeanne Diane Rawling, daughter of Mr. and Mrs. G. Wm. Rawling of Ottawa, to Dwight Eugene Otterman, son of Mr. and Mrs. John Otterman of Fisherville, Ontario in St. Woodroffe United Church, Ottawa on Saturday, June 13th. Rev. T. A. Morgan performed the double ring ceremony. Mr. Evan Rawling, uncle of the bride, was organist and Mrs. G. C. Moir, soloist, beautifully presented "The Wedding Hymn" and "My World."

Given in marriage by her father, the bride wore a floor length gown of silk organza over peau-de-soie with flowing chapel train. The pencil slim skirt had appliques of Alencon lace and the bodice was of Chantilly lace embroidered with jewels. A tiara of seed pearls held her illusion veil. She carried a cascading bouquet of white carnations and stephanotis. Mrs. Muriel Rawling was matron of honour. The bridesmaids were Mrs. Sandra Arnold and Miss Rhonda Rawling. The attendants wore identical floor length gowns of blue nylon over taffeta with lace inserts and nylon and lace trains. Their head dresses were of blue nylon and tulle with pearls and they carried cascading bouquets of pink carnations.

The best man was Mr. Lester Hawke. The ushers were Mr. Raymond Arnold and Mr. David Oslund.

After a reception, held at the Green Valley, the happy couple left on a wedding trip to Lake Placid, N.Y. To travel, the bride wore a linen suit with inserts of lace and blue accessories. A corsage of pink sweetheart roses complemented her ensemble.

Mr. and Mrs. Otterman will make their home in Dunnville.

JARVIS SCHOOL BOARD ARRANGE FOR SIXTH ROOM

Mr. T. Roy Brown, Inspector of Haldimand Public Schools, and Mr. Jack Brown, new Principal of Jarvis Public school met with the Jarvis School Board in the School on August 31st. Previous to the meeting the trustees held a work bee, placing desks and other equipment in the sixth room which is being added to the school.

Don Duxbury and Jim Dough of bus transportation from the outlying parts of Jarvis and S.S. No. 10, a union school section. They gave their report and the Inspector explained the Grant system as applying to pupils less than two miles from school and less than four miles. No action was taken at this time.

George Walker will again be asked to cover all pupils at a basic rate of insurance of $1.00 per year per pupil, underwritten by the Board. Parents wishing extra coverage may take this if they so wish.

School hours on Sept. 8th, the first school day, will be from 9 A.M. to 2 P.M.

NEW TELEPHONE BOOKS

Thousands of well-thumbed books will find their way into the trash cans of the area next week. The annual fate of the "best read" book is predictable, since its successor, the 1964 telephone directory is now in the mail to customers.

According to D.A. McArthur, Bell Telephone Company manager for the area, 104,349 copies of the Brantford - Woodstock and surrounding territory directory will be distributed this year. This is a substantial increase over the previous year. A total of 710 will be sent to customers in Jarvis, about the same number as last year.

Every year Bell employees spend hundreds of hours listing telephone subscribers' names and numbers up-dating one of the world's best read reference books.

Mr. McArthur cautioned customers to check the numbers in the new directory and where necessary make changes to their Blue Book of telephone numbers. "Anyone needing a new Blue Book for frequently called numbers can obtain one by calling the Telephone Office," he said.

The manager pointed out that the introductory pages were a wealth of information and should be checked to see if any different procedures were outlined for placing calls.

He also asked that all customers make sure they fill in emergency numbers in the appropriate blank on the blue "Number Finder" at the front of the book.

YOUTH ALLOWANCES

IMPORTANT NOTICE FOR PARENTS

At the end of September the first payments will be made under the Youth Allowances Act recently passed by Parliament. If you have a child who is 16 or 17 years of age, is maintained by you, and is either in full-time attendance at school or university, or is unable to attend by reason of physical or mental infirmity, you may be eligible for a monthly allowance of $10.

THIS ALLOWANCE MUST BE APPLIED FOR —IT WILL NOT BE SENT AUTOMATICALLY

During August application forms were sent to the parents of children already 16 or 17, or who would be 16 before September. If you have a child who meets the above requirements, and for any reason an application has not reached you, you can obtain one by writing to the Regional Director of Family Allowances in your provincial capital.

The applications should be returned as soon as possible, in order to ensure prompt receipt of the first payment.

DEPARTMENT OF NATIONAL HEALTH AND WELFARE

CARDS OF THANKS

We wish to express our sincere thanks for the lovely cards and remembrances sent to us during our stay in the hospital and at home.

Brian and David Doughty

Fran and John Almas

Kay Almas Spratt

—o—

The family of the late Clara Fehrman wish to express their sincere thanks and appreciation for the acts of kindness, many messages of sympathy and beautiful floral offerings and donations received from our relatives, friends and neighbours in the recent loss of a dear mother and grandmother. We especially wish to thank Rev. Earl M. Sider, Nurses on the second floor of the West Haldimand General Hospital, Drs. Gillam, Powell, Awde and Debenham and to those that helped at the house., the pallbearers and Sons and McKenzie Funeral Home.

—o—

JARVIS COUNCIL MEETING

Expenditures for the month of August by the Village of Jarvis amounted to $14,201.00 as revealed at the Council meeting this week—Reeve Ernest Craddock presiding.

A letter from the Welfare Officer of Houghton Township accepted a charge back for welfare provided by Jarvis during the past month.

A letter was read regretting that no more applications could be accepted until 1965 for admission to a police course.

Weather permitting street improvements will be completed to submit Road Accounts for grant purposes by September 25th as required.

Notince was received asking definite application by Sept. 25 in order to take advantage of the Municipal Assistance Program. Actual figures for any local project must be submitted by November 30th.

On motion of Councillors Elson Held and Harold Johnson general bills starting at No. 122 were approved.

Clerk Howard Krouse noted that a check of power meters at the Norfolk Co-operative had been requested by the Ontario Hydro. The sum of $140.12 was listed as Jarvis' share toward Cayuga High School electrical Equipment recently installed.

Notice was read re the availability of an Electrical Heating Course. The Clerk noted the new billing machine observed at the Cayuga Hydro Office.

Two new hydro poles were also applied for at the enlarging Norfolk Co-operative plant.

Hydro bills starting No. 44 were approved on motion of Councillors Johnson and Austin.

TAILGATERS TRESPASS on the protective space behind other cars by following too closely.

They caused over 7,000 accidents in Ontario last year because they didn't leave a safe stopping distance between cars.

Safe stopping distance is at least one car length between your car and the one ahead for every 10 miles of speed. At 60 miles an hour you should be six car lengths behind the car in front of you.

If a tailgater is following you too closely, here's a tip from the Ontario Safety League. Slow down a bit to leave more space between your car and the one ahead. With extra stopping room in front, you're not so likely to have to come to a quick stop . . . and not so likely to be rear-ended by the tailgater.
