

of the night to meet a group such as this. If they had consented to us a glaring example of the lack of parental discipline. And what about these kids up at Grand Bend over the holiday week end, carrying on in such a fashion as to require the reading of the "Riot Act." What parental punishment, if any, will be coming to them when their parents discover they were involved in such antics. We know what would have happened in the days of our youth!

Notwithstanding the excellence of the sweet corn grown by Sam Morris' sons-in-law we feel compelled to point out that Eric Ellwood, right here in Haldimand County, doesn't have to take second place to the Norfolk variety. Eric, of course, has been the king of sweet corn growers in these parts for years and there does not seem to be much chance of him losing his crown.

THIS WEEK

Premier John Roberts dug up a mound of dirt with a silver spade at Grand Bend, Ontario, on Friday, and officially started the construction of a \$16,000,000 pipeline from the Lake Huron holiday area to London, Ont., 32 miles away. The project is described as a brand new concept in supplying water to municipalities.

Mr. Roberts said this is the first time the provincial government has entered into a state ment saying no consideration can be given this year to operating the Welland Canal beyond the formal closing date of Dec. 15.

The Authority said there is a heavy work schedule planned for the canal's idle period. Work will proceed on the program to twin the waterway.

Overall cost of twinning the locks is expected to reach \$180,000,000.

SENIOR CITIZENS SEEN

Coverage of the Ontario United Senior Citizens of Ontario voted to ask the federal government to provide comprehensive medical care cover for all citizens over 65 and raise old age pensions to \$100 from \$75 a month.

About 200 delegates representing 15,000 members, passed the resolutions which included a request to lower the pension age to 65 from 70.

Speaking at the first of the two days of meetings, Louis P. Ceele, provincial welfare minister, predicted the aged will "result in noteworthy recommendations that will have the effect on legislation."

"We are now passing into a period where the welfare of the whole citizen population, rich or poor, or in between," he said.

CIVIL RIGHTS COMMISSION

Ontario's one man royal commission on civil rights says he will not attempt to hold public hearings until he and his staff understand all of the province's statutes.

Chief Justice J. C. McKeown of the Ontario Supreme Court has the job of sifting through the revised statutes of 483 separate acts. There are another 3,200 pages of regulations of Ontario and other material that could be considered.

Mr. McKeown said he expects that the commission's public hearings will begin late this year or early next year.

TENDERS FOR OIL

The West Haldimand District High School Board invites TENDERS for the oil requirements of The Cayuga Technical & Commercial High School for the 1964-1965 heating season. The type of oil required is bunker 6C. The estimated number of gallons required is 41,000. TENDERS must state price per gallon delivered in the tank of the said school.

Only those TENDERS received by the undersigned Secretary of the Board in sealed envelopes marked "Tender for Oil", on or before Saturday, September 12th, 1964, shall be considered.

The lowest or any TENDER not necessarily accepted.
