different from last year's but we are sure they will all do a very efficient job to help the team on the field and in the account books.

Season's tickets will be on sale very shortly and will be available from any of the players or officials of the team. The cost of these tickets will be \$10.00 for family tickets

tend all exhibition, league and playoff games. The team hopes to have many more exhibition games this year and most of these games will be with teams in a higher classification than the II. C.

The tickets are not only a real bargain for the purchaser but they give the team a little cash to start off the season and it gives them a big boost.

The first big game will be the May 24th tournament sponsored by the Jarvis Lions Club.

Get your season's ticket now and support the Herefords all through the year.
