JARVIS W.I. HAVE GRANDMOTHER'S ANNUAL PICNIC

The Annual Grandmother' Picnic was held on the Courthouse Grounds, Cayuga on Wednesday afternoon, August 11th, when members of the Haldimand Historical Society were present to act as guides thro' the Log Cabin and Museum.

Following the tour of the buildings the President, Mrs. Evan Higgins presided for the regular August meeting. Mrs. Wm. Blake, Secretary-Treasurer reported cash on hand $692.91. The Short Course on Women's Institute procedure with Mrs. Kenny as leader was announced for Nov. 19th. The West Haldimand Fall Conference was announced for the York United Church with Sims Locks the Hostess Branch, Sept. 30 at 1.30 P.M The month of November will be set aside throughout Women's Institutes for a campaign against Hunger when members are asked to "Share a Loaf" with East Asians. Mrs A.L. Belbeck was program Convenor opening with the motto "News today is History tomorrow." The roll call "Something my grandmothers served for Sunday dinner" brought forth interesting reminiscences.

Mrs. Leonard Church and Mrs. Paul Bartlett were in charge of contests.

All grandmothers present received attractively wrapped gifts. Mrs. Richard Telford had been a member during the first year of organization, 1906, but had not been a continuous member. Mrs. A.L. Belbeck and Mrs Ella Johnson were the earliest members with Mrs. R.A. Miller having held office for the greatest number of years. Mrs. Earl Starr had the oldest grandchild with Mrs. Harry Belbeck the youngest grandchild. Mrs. Huffman had the most great grandchildren. A number of contests were followed by a pot luck supper.

WILL MARK GOLDEN WEDDING ANNIVERSARY, AUGUST 28th

—Rose-Le Studio Ltd., Simcoe. Photo

MR. AND MRS. RAYMOND E. ANDERSON

of R.R. No. 5, Waterford, will mark their Golden Wedding Anniversary on August 28th. A reception for friends and relatives will be held at their home at Villa Nova between 2. and 4. in the afternoon and 7. and 9. in the evening.

Mrs. Anderson is the daughter of the late Mr. and Mrs. Elijah Hellyer and has three sisters: Mrs. L. Renner of Townsend Centre, Mrs. Dell Bertran and Mrs. George Saigent of Waterford.

The couple were married in 1915 at Townsend Centre by the late Rev. F. G. Burrell. They have four sons, Kenneth, Keith, Craig and Ronald living at Villa Nova and one daughter Mrs. J. M. McWhinnie of Springfield, Ontario, and fifteen grandchildren and one great-grandchild.

THE WEEK AT OTTAWA

It was a great week for Prairie farmers and, partly as a result, election speculation flared up anew in the capital last week.

A massive sale of 22,000,000 bushels of wheat and flour, worth about $450,000,000 was concluded with a trade delegation from the Soviet Union for delivery in the next 12 months.

Grain handlers in Vancouver voted to end the strike which had choked Pacific wheat shipments and caused monumental storage problems for railways and farmers for 10 weeks.

Grain handlers in Montreal returned to work after a strike lasting seven weeks, re-opening the second largest wheat port.

The bureau of statistics reported that prospects for the 1965 wheat crop are above average and experts predicted it will top 700,000,000 bushels.

Prime Minister Pearson planned to leave on a western speaking tour this week, amid a spate of reports that he is on the verge of deciding whether to call a general election this fall.

Informants said he wants to sound out his government's popularity with westerners before making the fateful choice.

Unless Parliament is dissolved by early September, a general election will be ruled out until late 1966 because winter campaigns are unpopular and redistribution of Commons seats will not be completed until the next spring.

Another development that stimulated election speculation was the settlement of the three week-old postal strike in Montreal.

The 4,100 mail workers in the Montreal area voted to return to work after they were accepted the nationwide pay increase ranging from $510 to $550 a year, plus an extra $22 a year in boot allowances for letter carriers.

The government said postal salaries will be reviewed annually from now on, instead of every two years. Legislation to set up machinery for collective bargaining by leaders of the 150,000 federal civil servants was given top priority for the fall session of the Commons for Sept. 27-if the session is held.

Mr. Pearson has said this legislation, the bank act revision and the proposed medical care plan are all are major Michael planks of the Liberal platform that he would like to see passed by Parliament before a new election is called.

EXPECT NO WHEAT GLUT

Trade Minister Sharp, is announcing the big wheat sales to Russia, said it ensures a market for the new crop, "almost regardless of its size."

The deal was second only to the three-year, $500,000,000 Russian wheat sale concluded two years ago. Government economists said the whole economy of the country will benefit and the 1965 trade surplus likely will be much higher than was expected last spring.

Mr. Sharp set an export target of a record 600,000,000 bushels for the 1965-66 year for wheat.

SEVEN IN 10 LOSE MONEY

If Western farmers were happy last week, a government report indicated that their colleagues in the east are in a much different situation.

A survey of family income showed that seven out of 10 Canadian farms don't bring in enough money to cover family living expenses. The poorest marginal farms are in the Atlantic provinces and Quebec.

The study also revealed that many marginal farmers are increasing their non-farm income steadily.

WE MUST NOT FIGHT

In other news last week. External Affairs Minister Martin said Canada's membership on the international truce supervisory commissions in southeast Asia precludes sending Canadian troops to Viet Nam.

"It would be undesirable for Canada to send military forces to Asia," he told a press con-

(continued on page Three)

ON THE FARM FRONT

Brief Notes For The Busy Former

The tomato is the most important vegetable crop grown in Ontario for processing. During the 5 year period, 1958-62, the average farm value of contract tomatoes was in excess of 3 million dollars. this amount is greater than the combined farm value of all other processing vegetables

The strides in the tomato quality and production per acre have been phenomenal. It is estimated that in some parts of Ontario yields have increased fivefold since 1950, with improved varieties and the adoption of advanced production practices and techniques being responsible for a large share of this improvement.

Haldimand county shares in the tomato harvest.

It is estimated that over 3,365 tons of tomatoes will be processed in the County this year, being done by Grand Valley Canners in Dunnville.

Interesting and impressive as the tonnage may be, most of the work in processing this tomato crop is done in a very short time—from late August until the end of September. As a result, most of the 150 people necessary to do the processing are local County people, and for only a few weeks.

Visiting Grand Valley Canners a week ago, it was evident that tomatoes have to be lifted, dumped, washed, sorted, peeled, cooked, packaged, stored and moved to the warehouse or the retail trade. Most of this operation is automatic! But one operation that still requires hand labour is peeling the tomatoes!

Ladies are urgently needed to peel these tomatoes. There are two shifts—daytime or twilight. Payrest is on the basis of piece-work—the more one peels, the more you

A bus service is already operating between Dunnville, Hagersville, Caledonia, York and Cayuga three times a day to provide transportation for the two shifts, if cars are not available.

Rural and urban homemakers who wish to help process the big tomato crop in Haldimand should contact the National Employment Service in Dunnville.

-oOo-

August is a busy month for 4-H members.

Looking at the calendar, August 19th will be the 4-H Ball at the Scout Youth Centre, featuring educational demonstrations by 2 members from each of the 4-H clubs in the county, reports and travelogues by 4-H award winners, and entertainment by talented 4-H'ers.

August 27th will be the Live Stock Judging Competition when 4-H'ers in the 4-H Dairy Beef, Sheep and Swine Clubs of the county will be completing their projects in livestock judging as well as competing for coveted judging honours.

-oOo-

Many persons are anxious to control chicory plants in pasture fields these days. Grass fields can be sprayed with 2-4-D at 12-14 ounces acid per acre while stands containing at least a foot of trefoil can be sprayed with 2-4-DB at 16-20 ounces acid per acre. Plants which have bloomed will have formed seeds already so a spraying in early September, followed by another in June 1966 should control the weed. 2,4-D sprays will not be injurious to livestock present in the pasture at time of application.

CARDS OF THANKS

I would like to thank my family friends for their visits, letters and cards which I received while a patient in Victory Hospital and since returning home.

Eleanor Hammond

I would like to express my sincere thanks to friends and relatives for all the lovely cards, flowers and gifts while I was a patient in West Haldimand Hospital and the many acts of kindness since returning home.

Special thanks to the doctors and the nursing staff of the second floor.

Sincerely
Elsie Evans

TWO LOCAL CHURCHES JOIN TOGETHER FOR SERVICES

When it comes to telling about churches in particular and religion in general, Mr. and Mrs Public would probably agree that everything has been said or sung many times over.

I prefer the attitude of the conscientious speaker (famous across Canada) who affirms, "There will always be a better way to say it." Apparently this on-going attitude is shared by the church workers of this area. Judging by the quality of music and worship service enjoyed this summer locally many might well agree that the better way is being constantly rediscovered.

The prelude music at Chalmers' Stone Church and Knox Church, Jarvis presented by the organists Mrs. Bruce Campbell and Mrs. Bruce Miller, respectively, set the pattern for abundance of the Beauty of holiness in the morning services, August 15. A brief listing of the music in each service will provide the reader with a message that speaks for itself of the exquisitely beautiful heritage of sacred music which is the inspirational diet of all who can attend these services. "The music of the services compares excellently with the best presented in the largest city churches" was the way one visitor described the service this past Sunday The Musical menu provided by Mrs. Campbell at Chalmers' Church was as follows: Prelude: R. C. Wilson's "Our God Is Great"; Anthem: Gel-Lell's "He is Our Shepherd"; Offertory: R.J. Hughes' "Peace in My Soul"; Postlude: S. Otis' "He is My Salvation" The friends of Wesley United and Knox Presbyterian Churches, gathered together in historic Knox Sanctuary, enjoyed similar priceless recipes for a perfect diet of worship; Prelude; Miles' "In the Garden"; Liddle's musical rapture expressed in his arrangement of "The Lord's My Shepherd" sung by Mr. Michael Fess (youthful male soprano of neighbouring Renton United Church) accompanied by Knox director of choirs and organist: Mrs. Bruce Miller. The Knox offertory took on paradisical overtones as Miss Barbara Miller took her place at the beautiful Northern Hammond organ and with her mother, Mrs. Bruce Miller at the piano presented Doane's uplifting arrangement of "Precious Name". Those privileged to be at Knox Church on August 15th will long remember the stirring postlude notes of Bailey's "What A Friend We Have In Jesus".

The minister of Knox, Rev. G. Taylor-Munro, conducting these summer services assures us that the sermons will continue to adhere to the same level of interest. August 22nd and 29 will further the study of Jacob begun on August 15 entitled: Power with God. Themes for following Sundays are planned to be "God's Blessing" and "Contentment" respectively.

PERSONALS

Mr. and Mrs. Nelson Harper of Toronto were the week end guests of Mrs. Harold Hesketh

* * *

Miss Grace Wride of Brantford has returned home after spending a holiday with her sister, Mrs. Flora Jacques.

Mr. and Mrs. Elson Heid have returned from a trip thro' the St. Lawrence Seaway Area to Ottawa, visiting the Thousand Islands and returning thro' New York State, with stopovers at Rochester and Lockport.

THIS WEEK

Racial tension and people in prison provided Ontario's headlines last week.

The small town of Amherstburg, Ont., part of the slaves' "underground railway" out of the United States a century ago, was shaken by anonymous manifestations of white supremacist agitation last week.

A fiery cross was set up at the main downtown crossroads and slogans saying "The K.K.K. is here!" were scrawled on the buildings. Until then, 300 Negroes and 4,000 white people had lived peaceably without discrimination and without tension between the races.

Fear blossomed at once. One woman who had lived in the Deep South reported being telephoned by an unmistakably Southern man, who said, "We're out to get you."

Within a few days, however, it seemed likely that the incidents were hoaxes, as several local leaders had first thought. Three youths were questioned by Police Chief George Hannan at the weekend and it was expected charges would be laid. almost at the same time, the Fraternal Order of Eagles, a predominantly American organization, held its convention in Toronto. There were the usual official welcomes and a parade with bands and majorettes through city streets.

There was also the order's annual general meeting, at which it was proposed to remove from the constitution the rule restricting membership to "white Caucasians". The members voted to leave the constitution as it is, pending a year long review.

The new president of the Eagles told a newspaper he could understand the desire of some members to end the color bar but Negroes were no problem in his own home town, in New Jersey.

MANY ARE LOCKED UP

Martin Friedland, a law professor at the University of Toronto, recently published a detailed study of bail practices in Ontario courts, comparing Toronto in particular with cities in other countries.

His main conclusion was that

(continued on page three)

HOLIDAYS - AUG. 23 - 28

This is to announce the Record Office will be closed from Monday, August 23rd to 28th inclusive, for our annual holidays. There will be no issue of the Record on Thursday, August 26th.

In the event any printing is required during this period, please contact us as soon as possible and we will strive to meet your requirements.

ESCAPES SERIOUS INJURY IN CRASH

John Deller, who holds the contract for the delivery of rural mail on route 4, Jarvis, escaped serious injury when his car was struck by another vehicle one mile north of the Village last Friday morning.

Visibility was poor at the time. Mr. Deller had just made a delivery at the post box at the Hogg farm and was turning around. His car was badly damaged when it was struck near the left rear door.

Mr. Deller was taken to the West Haldimand General Hospital and after examination was able to return to his own home. The occupants of the other vehicle involved were not injured.

Sports Highlights

- By Laird More -

HEREFORDS OUST HESPELER IN TWO STRAIGHT

This weekend saw the opening of the O.A.S.A. Intermediate "A" playoffs in Jarvis and the local Herefords polished off the Hespeler Merchants in two straight games to win the opening round.

On Saturday night the locals scored two runs in the second inning and added two more in the third and then held on to walk off with a 4-0 victory. Hespeler threatened in the ninth inning when they loaded the bases with only one out but John Edwards bore down and struck out the next batter and the final batter flied out to Mac Feeney in right field to end the game.

The Herefords got the only run they needed in the second inning when, with a runner on first and two out, Gary Mitchell doubled to centre field to score the run.

John Edwards went the full distance for Jarvis to pick up the victory. He gave up only four hits, three of which were infield singles, while striking out fifteen and passing two. Lee Thomas hurled steady ball for the visitors and gave up only three hits after a bad third inning. He issued seven bits, one base on balls and struck out five Jarvis hitters.

On Tuesday night the return game was played in Hespeler and in a much closer game the Herefords pulled out a 2-1 victory in the top of the eighth inning Jarvis scored one in the second inning and were nursing the lead until the bottom of the sixth when Fred Dahmer belted a long solo home run. In the eighth inning Bobby Smith walked, went to third on Bill Nixon's double and then scored when the throw to the infield eluded the Hespeler shortstop.

Mac Feeney, John Edwards Gary Mitchell and Bill Nixon collected the only four hits for Jarvis, all of which were doubles. Edwards again went all the way for the locals, allowing just 3 hits while issuing one base on balls. He struck out seventeen batters Lee Thomas hurled excellent ball in a losing cause for Hespeler. He retired four batters on strikes and gave up a like number of hits and walked two.

Jarvis will now meet Burlington in the second round of the playoffs with the first game in Burlington on Tuesday night at 8:30 P.M.

JUVENILES ELIMINATE OTTERVILLE IN CONSECUTIVE GAMES

The Jarvis Juveniles opened their O.R.S.A. Juvenile "B" playoffs this past week and eliminated Otterville two games to none. Last Wednesday night the locals pounded out sixteen hits and played errorless ball behind the brilliant one-hitter thrown by Dave Schweyer. Otterville had runners on second and third in the bottom of the first but never had a runner past first base the rest of the game.

Schweyer struck out fifteen batters and passed only two enroute to his first shut out, playoff victory of the year. Dennis Craddock led the winners with three hits including a home run.

Jarvis scored three runs in the first inning and then coasted along to their lopsided 14-0 victory.

Tuesday night in Jarvis there was a completely different game witnessed by a fair-sized gathering of local fans. It was one of those nights when nothing seemed to go right for either team in the field

Mel Vanderstelt for the winners and gave up four runs in four innings before giving way to Dave Schweyer who finished the game.

After trailing 4-0 early in the game the locals came back and scored five runs in the fifth inning and then never looked back on their way to a nine seven victory. Hubert Verhaan led the winners with two doubles and a single in three official trips to the plate.

Jarvis will now meet the winner of the Holbrook-Georgetown series and will likely get underway the first of next week On Friday night they will travel to Simcoe to play an exhibition game with their O.A.S.A. Juvenile "A" team. Game time is 8:30 in Wellington Park.

NEW PHONE DIRECTORIES

Thousands of dollars were spent by the Bell Telephone Company of Canada producing telephone directories last year, but this week they advocated residents throw them out.

That is, when you receive your copy of the 1965 Brantford-Woodstock and surrounding territory directory currently being distributed.

D. A. McArthur, Bell manager for area reports there are 725 copies of the directory being sent to Jarvis residents this year, compared to 1964's figure of 710.

In all, 109,142 copies of the directory are slated for delivery, 1,742 more than last year.

Hundreds of hours are put in by Bell employees, adding, deleting and bringing the lists of names and numbers up to date. This makes the book one of the world's best reference texts.

"It's always a good idea to double check your personal list of frequently called numbers against the new directory," said Mr. McArthur. "This is also good sense when you think of the number of wrong numbers a person gets."

The Bell has Blue Books, ideal for personal lists of numbers, that the Company will send out on request.

"Residents should not only record the numbers for fire, police and doctor on the inside front cover but should also check the information pages," said the manager "A few minutes spent now might mean the difference between effective action and hopeless fumbling in an emergency."

This year's cover, like the other 61 directories to be printed by the Bell Telephone this year, will be a robin's egg blue.

URGE REVISION OF MILK PRICES

Ontario Agriculture Minister William Stewart has strongly urged the Ottawa Government to revise the oasis of calculating the national average price of manufacturing milk.

"The Federal dairy policy discriminates against the shippers of bulk milk," Mr. Stewart said.

"The national dairy policy as announced, in calculating the national average price for milk includes patronage dividends from cooperatives and quality and bulk tank premiums," Mr. Stewart explained

"The inclusion of these premiums or patronage dividends is unfair to bulk tank shippers and to shippers to cooperatives

The effect of this national price
