

The Machine That Keeps Rubber On Your Wheels

No matter how worthy our intentions it seems that someone is always misinterpreting the observations we make in this space. Take last week for example: In the belief that the Honourable Prime Minister of Canada is burdened by the trials and tribulations of his office, we first of all commiserated with him and then set forth a few suggestions that we thought might be helpful. We would have thought such a man might be found commendable by the Prime Minister's most ardent supporters. However, such apparently, was not the case. One lovely and charming housewife, and mother, who resides on R. R. 1 Jarvis— we are told— had to resort to barbutes to calm herself after reading the column. This is most regretful to us within beheim.

It would seem as had it had been the only upsetting factor she had to face last week. We're glad in this instance it was her husband and not us that disturbed the usual tranquility of her home. It seems he had promised to bring home a Christmas tree on Saturday night. The plans had been made to decorate the tree later that evening. Something happened in the interval between the time the tree was purchased from a lot in Simcoe and the time the husband arrived home. The husband maintains the tree was stolen.

McKenzie Porter, that most interesting Toronto columnist says "if services clubs want to make our lives a little more congenial they could begin at once by dropping from their programs that wholly anachronistic and superfluous individual public speaker. He says that public speaking was invented by the ancient Greeks

and the wife is wondering if he ever bought one. The only way the husband will be able to redeem himself is to lay a charge of theft against his suspect and make it stand up in Court. It's a tough life we live.

CHRISTMAS MEETING AT SILVER STAR LODGE
Many members were present for the Christmas meeting of Silver Star Lodge, with all officers filling their respective chairs. Suitable remembrances were reported sent to the sick and those in hospital. Regardless of the high price of oysters a sizeable profit was realized from the annual supper which will help carry on the work of the C.P. & T. organization. Donations were voted to the Sick Children's Hospital and to the LOOP Home at Barrie for their Christmas Party. Cakes and prizes were solicited for the C.P. & T. Loss Party on Wednesday night following the closing of Lodge, a beautiful candle lighting Christmas ceremony stressing "Unity" and including the singing of carols was presented Eileen Durant. After which all retired to the banquet room and were seated at tables carrying out the Christmas theme. The exchange of gifts was, to say the least, different. No snow, so no Santa; lots of water around so all went fishing, proving themselves very able fishermen too. After many expressions of Season's Greetings the members dispersed to their various homes.

SANDUSK WOMEN'S INSTITUTE
(continued from page one)
The December meeting of the Sandusky Women's Institute was held at the home of Mrs. George Marshall. The President, Mrs. Craig Werner, presided. The minutes of the last meeting were read and approved and correspondence was read. It was decided to send a letter to the Sandusky Women's Institute on a verse of scripture with Mrs. Lawrence Embury, North Dakota and her father, James Laidlaw and her father, Lodge, Hagersville.

LICENCE PLATES EXPIRE MONDAY FEBRUARY 28th
Expiry dates for present plates—and the final day for getting 1966 plates—will be Monday, February 28. Mr. Hallett said there definitely would be no extension beyond this date.
The three-month issuing period gives ample time for everyone to get plates. Mr. Hallett said that for their own peace of mind, we hope more motorists will get their plates early and avoid last-minute line ups.
For commercial vehicles, 1966 plates will go on sale March 1st and the expiry date for current plates will be on March 31. This procedure is the same as it has been for the past three years. For those vehicles, plates will continue to be available on a quarterly basis as well as for the whole year.

ON-THE-JOB TRAINING helps Employers find skilled people to fill jobs

Lost orders, postponed expansion, loss of profits, costly equipment idle—it all can happen through the lack of skilled workers. To help you develop the skilled people you need, The Ontario Department of Labour has introduced O.J.T.—On-the-Job Training, a plan combining Apprenticeship Training and Short-Term Training... an extensive program of financial and technical assistance.

Find out now about O.J.T.!

ON-THE-JOB TRAINING helps People learn skills and get better jobs

With O.J.T. you learn needed skills on the job! You are employed in the work of your choice, in a big choice of trades—and you earn as you learn. After On-the-Job Training you continue to progress in the company that trained you—a skilled person with a better job, better pay and a secure future. Find out all about O.J.T.!
