

CHURCH NOTES

(continued from page one)

ian Service Brigade is a monthly club designed exclusively for boys, ages 12 to 18. Active weekly meetings are held at 7:30 to 9:00, Thursday nights. The high caliber program, including: tumbling, basketball, motor building, Bible Stories, Achievement study, overnight camps, bowling, etc., is geared directly to the active teenager boy. If you are 12 or over and under 18, and like action, then this is your program. TONIGHT'S meeting features the Bell Telephone film, "The Antidote," and will start at 7:30 sharp in the Hagersville Community Centre. For further information, please contact the Rural Life Mission 768-3056.

On March 11th, forty boys met in the Hagersville High School Gymnasium, and after a spirited warm-up, led by Superstars Randy Moody and Randy Bernard, basketball became the order of the meeting. Each opposing squad - The Tigers with Cpl. Bob McKenzie, The Martians with Cpl. Bob Pearce and The Heavers with Cpl. Whitbread, battled hard for a decisive victory over the Tigers. The star players of the game were: Paul Footes and Carl Higgins. A teenage Challenge from the active life of Dwight L. Moody closed the meeting.

A number of comments by reputed communists commanding university students in Canada is that if one of our own citizens ever indulged in such a program, it would be a disgrace. Many of these comments were made in the presence of Mrs. W. North, who was present at the meeting.

Mrs. L. Bilton expressed our thanks to Mr. and Mrs. Bayes and others who had helped with the programme.

A social hour was enjoyed.

Do you have to ration hot water on wash days and bath nights?

a Cascade 40 electric water heater can change all that.

Cascade 40 has two elements: a 1000-watt lower element for normal use, and a 3000-watt top element that surges into action at times of extra heavy use. That's why the Cascade 40 can supply more hot water than the average family is ever likely to use.

Cascade 40 is flameless, safe and clean. It requires no flue so it can be installed anywhere. The ten year guarantee on the tank is your assurance of Cascade 40's reliability.

With a Cascade 40, the cost of abundant hot water is low. For more information...
