"THE OLD OWL"

WHAT WAS IT ALL ABOUT ?

(Intended for last issue)

We have just been observing "V. E. DAY", which stands for Victory in Europe. To many of us it was the end of the World War II in the West. Many memories did I was thinking just what my faulty memory had preserved. I came up with these two names, Tobruk and Stalingrad. Tobruk, a town on the north coast of Africa was held by the British against Rommel's mighty army all through 1941 but was captured in June 1942. Somehow, to me, Tobruk's stand had been one of the few bright spots in the black night, when it fell the light seemed to go out. Of course, it was soon freed, after Montgomery's great victory at El Alamein, but at the time it seemed like disaster.

Stalingrad is a much more important name. It is a city in Northern Russia about the size of Hamilton (I think.). In this city, in January 1943, two mighty armies totalling together about one million men, engaged in fierce hand-to-hand conflict. Just imagine: Hamilton being fought over by a million soldiers.) There not only fought street by street, they fought house by house, apartment by apartment, factory by factory, one floor of an apartment build ing might be in German hands and the next one in Russian possession. It was a gigantic and ghastly conflict. But it was more than this, it was a final (we hope) battle between two great forces, Teutonic and Slav, and the empires those two races had built up. The Russians re-captured Stalingrad, and after that proceeded to drive Hitler's armies out of Russia. To me, Stalingrad stands out as one of the very greatest battles in history.

So much for memories But what was World War II ab out? Looking back over the years, how does it seem to us now? We won the war, but what did we gain by it? We gained nothing and yet we gained everything. We gained no territory, but we saved ourselves, our freedom, our Christian democratic way of life, every nation's right to self-determination and independence. World War II was essentially a war of defence as far as the Allies were concerned. Britain and her Allies did not go into the war to conquer and possess any German territory, they went in to preserve themselves against the monstrous regime that had crushed all that was good in Germany and was now reaching out to bring other states and nations under their foul control. They had to be stopped, for if Hitler controlled all Europe it would soon have been Britain's turn to be overrun, and, remember ,the United States did not enter the war until two years after it began It Hitler had gained control over all Europe, in two years Britain would have been a shambles, so Hitler had to be stopped, the war was a war of defence. Actually, it began by Britain and France going in to help Poland defend itself, which they were not able to do.

We hear much talk about the decay of Parliament, the need for Parliamentary reform and so on, but if Hitler had won there would be no Parliament to reform. We hear talk about the inefficiency of County Councils and other municipalities, yet these are bastions of democracy. Hitler would not have allowed any freely elected local government to exist. What about our schools? There is much argument back and forth but would you have preferred seeing your boys and girls drafted into a Nazi Youth Movement? These are the things we fought to defend in World War II. Let us thank God we were permitted to be successful.

One more thing, at election time (municipal, provincial, dominion) some people are too busy or too indifferent to vote. Have such people ever thought that in this century millions of men suffered and died to defend that very right and privilege they so contemptuously cast aside?

May this Twentieth Anniversary help us to remember what our privileges cost and make us resolve to use our hard won rights to make Canada an even better place.

SANDUSK W.I.

Mrs. Lillie Lofthouse was hostess to Sanduck W. I. May meeting President, Mrs. Werner, opened the meeting and the minutes of last meeting were read and adopted. Correspondence was read. It was moved to send a donation for girl's work. Mrs. Brag and Mrs. Werner were appointed to find out what we give to the new school. Mrs. Werner was put in as a delegate to the District Annual. Roll call was answered by all with a Mother's Day verse. Mrs. Nie, program convener, opened with a reading. Mrs. Marshall gave the motto, "Of all the things you wear your expression is the most important and costs you nothing". The topic "Mother's Day Program" was given by Mrs. Wm. Nicol. Mrs Mutkins then gave the Current Events. Mrs. Nie conducted a contest with Mrs. Marshall as the winner. The meeting came to a close with "The Queen" and Institute Grace. A vote of thanks was moved to the hostess and lunch committee.

HALDIMAND-NORFOLK FLOODLIGHT LEAGUE FORMED ONCE AGAIN

The Executive of the Haldimand-Norfolk Floodlight League met one night last week and drew up a schedule for the 1965 season and it promises to be a good one.

There are only four teams in the league this year as Abingdon and Dunnville dropped out leaving Jarvis, Villa Nova, Mt. Hope and Selkirk to fight it out for the league championship this year. Each team will play three games on every other diamond with the result that there will be nine games in each town and eighteen games for each club.

We understand the sales of season's tickets haven't been too rapid as yet and the boys would like a little support to get the club on its feet financially, and it is always nice to know that they have some loyal supporters. They are available from all the players and officials so there is no reason why you shouldn't have one. The Hereford's home schedule will begin two weeks following the May 24th Celebration. It would have been the following Saturday night but the Jarvis Chevies have arranged their hockey banquet for that night.

ARRANGEMENTS COMPLETED FOR MAY 24th SOFTBALL TOURNAMENT

We understand the Annual 24th of May Softball Tournament has been arranged by the Sports Committee of the Jarvis Lions Club and reports have it that there are approximately fifteen teams participating for the top money this year. Just to mention a few the Mt. Hope Mounties will be here to play in the top bracket with the Jarvis Herefords and the newly-formed Hagersville Juniors, coached by the very capable Harry Reicle, will make their debut at 9.45 to play McGaws, a new entry in the Erie League this year.

Bob Miller's Jarvis Juveniles will meet Dawson City of the Erie League at 3.00 o'clock in the afternoon.

All in all it promises to be a full day of excellent softball se between the Bingo, Dancing, Amateur Show and Ball Game, make it a point to see some of this fine local talent in action.
