

NORFOLK COUNTY FAIR 125TH BIRTHDAY IN 1965

(Intended for last issue)
Norfolk County Fair is celebrating its 125th birthday next week. And what a celebration it's going to be!

The Official Opening Ceremonies will be conducted on Tuesday by Mr. Charles W. Gibbins, President of the Saskatchewan Wheat Pool, and the Directors of the Fair will hold their special luncheon. Tuesday is also "Young Canada Day" at the Norfolk County Fair, and once again the excitement will run high as the County Secondary Schools battle it out in their annual "Tug-O-War".

Appearing twice daily at the Norfolk County Fair, World Stand, Danny Sailor, World's Champion Tree Climber will thrill Fair-goers with his daring as he climbs a 100 foot Douglas Fir Spar Tree in 20 seconds, and then performs a dancing act and head-stand on the 12 inch top. Climaxing this amazing feat, Danny will throw his hat into the air and beat it to the ground.

Starting with Western Ontario Golden Guernsey Championships and the Approved Quarter and Western Horse Show on Tuesday, there will be top ranking Sheep, Poultry and Livestock Competitions every day. Norfolk County Fair is truly an "Agricultural Fair" and is second to none in all its Agricultural, Horticultural and Livestock Departments.

The Commercial Exhibit Buildings promise to be at their very best this year and Norfolk County Fair patrons will have a chance to see a beautiful Automotive Display and to test their skill and knowledge in the Ontario Motor League Science Driver Training Van.

The Horse Show at Norfolk County Fair will attract the best of the horsemen's stables, and spectators will see a changing program of events each afternoon. Hunters and Jumpers, Saddle Classes, Hackney

THE JARVIS RECORD, JARVIS, ONTARIO

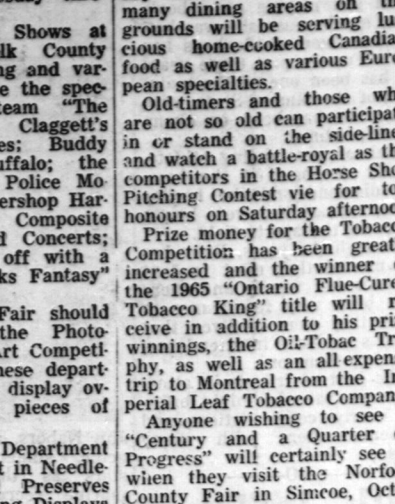

Women Visitors to the Norfolk County Fair will also enjoy the "Fashion Fantasy" each afternoon in the Electric Building, sponsored by the Carrie Alexander McCall Chapter of the I.O.G.E. For all day visitors to the Fair, the many dining areas on the grounds will be serving delicious home-cooked Canadian specialties.

Old-timers and those who are not so old can participate in or stand on the sidelines and watch a battle-royal as the competitors in the Horse Shoe Pitching Contest vie for top honours on Saturday afternoon. Prize money for the Tobacco Competition has been greatly increased and the winner of the 1965 "Ontario Fine-Cured Tobacco King" title will receive in addition to his prize winnings, the Oil-Tobacco Trophy, as well as an all-expense trip to Montreal from the Imperial Leaf Tobacco Company.

Anyone wishing to see a "Century and a Quarter of Progress" will certainly see it when they visit the Norfolk County Fair in Simcoe, October 5 through 9.

Not all crows are black, some have brightly-colored feathers. Distemper is commonly considered a form of influenza.

HANGDOG HANCOCK

Tony Hancock gets bad news, as usual, on an episode of his comedy series, each Saturday on the CBC-TV network. Some of Britain's top character actors appear with Hancock each week.

POORLY DESIGNED

Until a few years ago automobile bumpers were extended well out in the front and rear of the car and their purpose was apparent - protection for the grill and trunk. Now the bumper extends only an inch or two and as a result it's almost useless in many types of collision. The radiator or the trunk can easily be bashed in. -New Glasgow (N.S.) Free Lance.
