SUMMERLESS YEAR SNOW WAS A FOOT DEEP IN AUGUST HERE JUST A CENTURY AGO

Editor's Note: The following clipping taken from the Hamilton Paper in 1916, 140 years ago, was given to us by Mr. Fred Richardson of Hagersville.

Folks who are fussed up because the snow is so late in coming are not yet in for the worst.

"Say, Dad, what does it mean when the paper says that some man went to a convention as a delegate to the weather bureau?"

"It means his wife didn't go with him, Son."

COURT CROOKED CREEK MEETING The September meeting of Court Crooked Creek, Nanticoke, was held September 2nd.

The roll call of officers showed an absence of five. The minutes were read and approved. Thank you cards and flowers sent to them.

Sister Isabel Stone is to be in charge of the tickets for the Banquet and Dance. Our meeting delegates for the Assembly are Sister Dorothy Hare, Sister Edna Banfield, Sister Mary Bartlett, Sister Marjorie Miller.

Sister Edna Banfield, Sister Mary Bartlett, Sister Marjorie Miller gave a very interesting report on the High Court Convention held in Saskatoon on June 15th for five days.

The lunch committee of October is Sister Dorothy Hare, Sister Edna Banfield, Sister Mary Bartlett, Sister Marjorie Miller.

Did you read about the man-about-town who died and whose money-thrifty relatives quickly crowded around to hear the lawyer read his will? It was a few weeks ago. Being of sound mind I have spent every cent I had.

The Canada Pension Plan and its benefits

Here is what the Canada Pension Plan will do for people like Joe Costello, a 52-year-old unmarried labourer who earns \$50 a week.

If Joe continues to work full time until age 65 he can look forward to retiring with a monthly pension of \$54.16 from the Canada Pension Plan and \$75 from Old Age Security—a total of \$129.16. That's almost 60% of what he was earning.

If he is ill or out of work for as long as two years, or if he works until age 69 and earns \$3,600 a year, his pension will be \$61.74 a month instead of \$54.16.

If Joe becomes disabled after 1970, having contributed for at least 5 years, he will get a disability pension of \$65.62 a month until he gets both his retirement and Old Age Security pensions at age 65.

Months of low or no earnings do not affect the amount of the pension. If Joe wishes to continue working between 65 and 70 and earns higher wages than previously he can improve his pension. For example, if he works until age 69 and earns \$3,600 a year, his pension will be \$61.74 a month instead of \$54.16.

If Joe becomes disabled after 1970, having contributed for at least 5 years, he will get a disability pension of \$65.62 a month until he gets both his retirement and Old Age Security pensions at age 65.

What will the Plan cost you? If you, like Joe Costello, are employed and have earnings of \$2,600 spread evenly over the year, you will pay at the rate of 6 1/2% a week. Your employer will pay the same amount.

This advertisement is one of a series which relates some of the important benefits of the Canada Pension Plan to individual circumstances.

Issued by authority of the Minister of National Health and Welfare, Canada, The Honourable Judy LaMarsh.
