**WEDDINGS**  
MATTICE - RABIEWSKY  
Westley United Church, Jarvis, was the scene of the wedding on July 20th, 1966, at 3:00 P.M. when Miss Vera Rabiewsky, daughter of Mr. and Mrs. Fred Rabiewsky, R.R. 4, Simcoe, became the bride of John Harry Mattice, son of Mr. and Mrs. Harry Mattice, R.R. 4, Port Dover.

Candlelit, white gladioli and mums, and especially the examination of the bride and groom, formed the setting at the altar. Rev. F. C. Bayes officiated at the ceremony. Miss Carolyn Cosar was organist.

The bride was given away by her father. She wore a silk tulle gown fashioned with a slight chapel train. The bridesmaid wore a white dress with a scoop neckline and lily-point sleeves. **70 YEAR OLD CROSS COMES DOWN FROM ST. PAUL'S CHURCH STEEPLE**  
Last week the seventy year old cross was brought down from the steeple by Mr. Ralph Fess who is one of the Church Wardens of St. Paul's. For a number of years the cross had a dangerous looking hole in the East and North. When repairs were undertaken it was found that the cross was badly corroded and would have to be replaced by a new one. The old cross has been temporarily erected on the ground so that it can be inspected by those in the East and North. **WATER AND SEWER SERVICE STARTED**  
After the completion of the Water and Sewerage services is still a long way off the system has its initiation this week in the residence of Dr. Tony Lyons. It is expected the entire south side of the Village will be ready for service within the next week.

Howard Elliott, of the firm of W. J. Elliott & Son, trapped the new water and sewerage system. Village officials reported the system functioned perfectly. This significant act is being celebrated by the entire community.

**JUNIORS DROP OPENER TO INNERKIP**  
On Tuesday night the Jarvis Juniors played Santa Claus and as a result ended up on the short end of a 6-4 score in the first game of the O.R.S.A. Junior final. The second game of the series goes next Tuesday night in Innerkip.

The local boys were sailing along on top of a 4-1 lead in the sixth inning when the home team suddenly fell in on them. Innerkip scored four unearned runs the next two frames and added their only earned run of the game in the eighth. Jarvis put out in the Javelina final last year but they picked up a pair of identical frames who make a pretty fair battery, one pitching and the other catching. This makes Innerkip a much improved team over last year but if the local boys will play a different ball game we know they can win this series.

Jim Hazlett pitched good enough ball to win any game.

**INTERMEDIATES OPEN O.A.S.A. PLAYOFFS**  
Last night (Wednesday) the Jarvis Intermediates opened the O.A.S.A. Intermediate "A" playoffs in Jarvis against the Stone Creek Quillets but the result was too late for press time.

The second game of the series will be played on Friday night in this week on Friday night in Stone Creek.

**MINOR TEAMS DOING WELL**  
George Anderson's Midget team is at present in the Mid-West Semi-Finals against Fisherville but one game down as the result of a 9-5 loss in Fisherville last Friday night. The second game was rained out in Jarvis on Monday night and has been rescheduled for Friday night in Jarvis, starting at 8:30 P.M.

In an exhibition game recently George got a base hit off this reporter and haven't heard the last of it yet but what we can't understand is why he doesn't pass his knowledge and skill on to the rest of the team. These boys can handle Fisherville if they play up to their par so get behind them and watch them come through with a win.

The Jarvis Pee Wees, coached by Howard Elliott, are now receiving players within the next few days.

Doctor Lyons is a graduate of the University of Ottawa and served his internship at St. Joseph's Hospital, Hamilton. Having been without a resident Doctor for several months the citizens of Jarvis and district will extend a warm welcome to Dr. Lyons.
