CARD OF THANKS

years in the elementary league of journalism we feel we have a right to assess the efforts of those who have climbed the ladder of major league success. We don't like much of which we read. The Globe Magazine, last week, in the book review section, earries an article by John Holmes (Mr. Holmes is Director - General of the Can adian Institute of Internation al Affairs) reviewing the book written by Emery Kelen entit-led "Hammarskjold, as everyone will recall was the Secretary-General of the United Nations and he lost his life when he plane in which he was riding crashed in the Congo. The headline of the article is "Did death save him from Failure" Now, what the book, apparently, he in from Failure" Now, what the book, apparently, but the world has been led to believe hytring to imply, is that Hammarskjold's judgement concerning the Congo was in grave error.

"I expected that everyone here would speak with a real English accent and I didn't think Toronto would be as a pilot project, will be more than \$0.000 by the end of 1960. The aims of the federal-provincial program are to give along the control of the call was the Secretary-General of the United Nations and he lost his life when the plane in which he was riding crashed in the Congo. The headline of the article is "Did death save him from Failure" Now, what the book, apparently, but theying to imply, is that Hammarskjold's judgement concerning the Congo was in grave error.

"I expected that everyone here would speak with a real tidin't town that a real side 1967. The quotation above, from a pilot project, will be more than \$0.000 by the end of 1960. The aims of the federal-provincial fount travellers" in the apilot project, will be more than \$0.000 by the end of 1960. The aims of the federal-provincial fount travellers in the dath of the deral-provincial fount travellers in the tong the cond of the provincial fount travellers of the federal-provincial fount travellers in the tong it is a pilot project, will be more than \$0.000 by the end of 1960.
