PEOPLE ARE WEALTH

By C. J. HARRIS

The wheat sales to the U.S.S.R. are rightly hailed as a big boost to Canada's prosperity. A comparable contribution, suggests Vincent Egan of the Toronto Globe and Mail, has come from another source, and has remained almost unnoted.

Immigration to Canada this year is now estimated at a total of 133,000, an increase of 20,000 over 1964. This inflow, the Toronto paper's financial editor comments, "will have a dollars and cents effect on Canada's economy comparable to the recent Canadian - Soviet wheat sale contract not to mention the immeasurable human impact on Canadian life. Earning power of this number of people would run well into the hundreds of millions of dollars each year. Their contributions to the tax coffers would be similarly substantial."

There is no wealth without people to produce it. And the more people in Canada, the more wealth that will be produced.

George Bedford went all the way for the win, striking out two, walking two and giving up seven safeties. Laird Campbell took the loss. He fanned four, walked four and gave up ten safeties.

Monday night's game was a cliff-hanger all the way. There was no score at all until the eighth when Jarvis scored their only marker in the top half of the inning. Ken Graham led off with a single and was safe at second on Prince's fielder's choice. Winger then forced Graham out at third before Harry Reekie delivered a single to plate Prince. Edwards was then intentionally passed to load the bases but Bedford got McKeen to pop up and Il Nixon to strike out to end the inning.

Quigleys won the game in the bottom of the eighth when, with two out, Baron singled, McCarthy walked and Dan Rahal ...ick singled to plate the tieing ...and winning runs.

Jarvis outhit and outplayed Stoney Creek all the way but ...two mental errors turned the ...tide and gave Quigleys the ...right to meet St. Catharines in the zone final.

Another big difference in the teams this year was the ability to get a hit when they needed it. Almost always when Innerkip had men on base with two out they could get a hit out of the next batter but Jarvis just couldn't do it. Several of their dependable batters could not even buy a hit.

Jim Hazlett pitched a fine game in defeat for the local boys and would have won if ...ed with Highgate in the O.A.

NANTICOKE MAY BE SITE OF NEW POWER STATION

CONSTRUCTION of a large coal-burning power station in Haldimand County by Ontario Hydro would have a significant effect on the economy of the district, Hon. James Allan, Ontario Treasurer, said this week.

Mr. Allan, MPP-Haldimand-Norfolk, said he had been informed by Hydro Chairman George E. Gathercole that the peak work force for the project could reach 1,500 by early 1971.

Plans for the new power development were announced this week. A site on Lake Erie near Nanticoke is now being tested and if foundation conditions are suitable the plant will be built there. The station would have a generating capacity of 1,000,000 kilowatts from two units by 1973, but its ultimate size would probably be 2,000,000 kilowatts.

Mr. Allan said the plant's operating staff would total about 110, increasing to nearly 200 when the $200 million project reaches completion.

"According to the best estimates Hydro has at the moment", Mr. Allan said, "site preparation and the building of access roads and shops should start late in 1967. Construction of the plant itself is expected to get underway by early summer of 1968".

50TH ANNIVERSARY MARKED BY ALLANS

Provincial Treasurer James ...N. Allan and Mrs. Allan, of ...Dunnville, received nearly 800 guests marking their Fiftieth Wedding Anniversary on Sunday afternoon and evening. The reception took place in the Christian Education wing of Grace United Church where Mr. Allan served 17 years as Church Treasurer and is now a life elder.

Jane, Anne and Mary Sabiston, Granddaughters of the Allans, were in charge of the book and Grandsons, Peter, Philip, Scott and Jeffery Allan served individually wrapped pieces of the anniversary cake.

An elegant lace cloth covered the tea table which was centered with an arrangement of yellow roses, the gift of the employees of Puritan Dairy Ltd. White tapers flanked the floral arrangement. Pouring tea were Mrs. Frank Hickey, Mrs. E. C. Ralph, Mrs. Thos. Camelford, Mrs. Dave Mackey, Mrs. E. C. McInnes, Mrs. Fraser Raney and Mrs. R. Dodds of Dunnville, and Mrs. Frank Harvie of Orillia.

Among the guests were Premier John Robarts and Mrs. Robarts, Highways Minister McNaughton and Mrs. McNaughton, Solicitor General Larry Pennell and Mrs. Pennell and John Root, Chairman of the Ontario Water Resources Commission.

YOUNG PEOPLE PRESENT VARIETY PROGRAMME

Congratulations are in order for the Presbyterian Young People's Variety Program presented in the Stone Church Hall on Wednesday night, August 24th.

Noteworthy of the occasion were three facts.—The program was sponsored and produced entirely by the young folks themselves.— Everyone had an entertaining and highly amusing time, audience and performers alike.— The group raised enough money during the two-hour programme to reach the half-way mark in their project.—To enable a young Teenager from one of the tribes in the mountains of Formosa to attend high school for a whole year.

For a $100 scholarship young boy or girl is enabled to go to high school for a whole year including the travel costs to and from the home village. During the past ten years the Christian Community in the mountains of Formosa has increased a hundred percent. This has presented a tremendous challenge to our local young people to sponsor a scholarship and help provide much needed leadership among the Formosan young people of the same age.

Following the Wednesday night programme several of the aud ience asked the group if they would consider putting on a repeat performance if enough requests came in. Anyone interested in finding the answer to this question is asked to make a personal request to the secretary, Miss Martha Ann Lint, R. R. 3 Jarvis, Ontario.

magnificent floral piece was delivered to their home from Canada Packers Ltd. Their son, Ross, is an executive of the Company in Lethbridge, Alberta.

Members of the family presented their parents with a new 23" television set. It was significant too that the anniversary date coincided with Mr. Held's 73rd birthday.

Many more years of happiness is the wish of their many friends in the Jarvis commun...

WATER & SEWAGE SERVICE SET FOR SCHOOL OPENING

Reeve Craddock informed us on Tuesda y night that the water and sewage services are all set for the opening of the school on Tuesday, September 6th.

Notwithstanding the many problems attendant to the installation of this vital service in the community it is significant, we think, that for the first time in our history these facilities will be functioning in our educational establishment.
