**Wise, Unwise and ...**  
 Otherwise — BY — RESPONSIBILITY AND TRUST

Some time ago I heard a man pointed out the "responsibility" in close relation to what else he said, but he was so right that I thought he was wise. It is not because they are closely related that we should have a sense of responsibility. It is not because we are responsible that we should have a sense of responsibility. It is not because we are responsible that we should have a sense of responsibility. It is not because we are responsible that we should have a sense of responsibility. It is not because we are responsible that we should have a sense of responsibility.

**CARDS OF THANKS**

I wish to thank all my relatives and friends, Doctors and nurses who were with me during my illness in West Halldam Hospital and since my recovery I will always remember your thoughts.
