At this point an additional choral piece was inserted The choirs gave a very moving rendition of G F. Handel's "Largo" with the words: "Holy Art Thou", Voices and piano blend ed very excellently to produce a very fine piece of work Those that heard it were visibly moved by the depth of feeling expressed by the choirs

Coming back to the Nativity, the choirs continued with "Good Tidings Of Great Joy" St Luke ii, 10, 11, to be followed by another Carol "The Wondrous Story". Mrs. Vander Veen, soprano and Mr. Knight, bass, as soloists sang several individual stanzas giving some added lustre to the carol. Several choruses followed in turn The chorus "Cry Out And Shout" showed the choirs and Band in excellent form

Even though no one was tired from listening, the choirs were allowed a brief pause where the combined bands, under the capable direction of Mr Ray Tuinhof, played some Christmas Carols The audience had an opportunity to show its singing ability and as they joined with the bands we were very impressed by the spirited singing and playing

The choirs then presented the second half of the Cantata It seemed as though the short rest had given them new vigour since the choruses "Where is He Born King Of The Jews" and "Break Forth Into Joy" rang out with renewed power and conviction. And in conclusion they repeated an earlier chorus: "Glory be to the Father, And to the Son, And to the Holy Ghost, As it was in the beginning, is now and ever shall be, World without end. Amen, Amen".

Again the combined Brass Band led in community singing thus bringing the evening to a close Rev VandeKraak, Pastor of the Wellandport Christian Reformed Church, who has

JARVIS LIONS MIDGETS AND CAYUGA END UP IN TWO ALL TIE

But for outstanding goaltending of the Cayuga goalie, the Lions may have come out with a win, as the locals fired every thing but the kitchen sink at the Cayuga goalie on Saturday. Dec 10th. Rick Miller scored the first Jarvis goal on a neat passing play with Jimmy Jaques. Cayuga scored their first goal with the Jarvis goalie Kauk out of the net, when he in an attempt to clear the puck was beaten to it and Cayuga scored. Jack Donaldson scored the second Jarvis goal unassisted, as he made a fine rush, deking the Cayuga defence and firing the disc into the net for a Jarvis one goal lead.

Minutes later Cayuga scored to tie the contest. The Lions turned on the pressure, but could not put the puck behind the stallward Cayuga Goalie.

Manager Carl Jaques, filling in for coach John Beislagh, had his charges flying and turned in a fine effort in a well played fast contest.

Ross Webb on defence for the Lions played a fine game after losing his front teeth two weeks previous.

The following is a rundown on the teams scoring to date:

	Goals	As.	Pts.
Jack Donaldson	3	5	8
Jimmy Jaques	3	3	6
Paul Beislagh	3	2	5
Rick Miller	3	1	4
John Church	2	1	3
Lloyd Anderson	2	1	3
Lee Metcalfe	1	2	3
Jimmy Duxbury	0	2	2
Brian Chambers	1	0	1
Jim Walker	1	0	1
Jim Howden	0	1	1
Bert Ionson	0	1	1
Ross Webb	0	1	1
Dave Doughty	0	1	1
Brian Hayes	0	1	1
Ross Gibbons	0	1	1
Gary Dawson	0	1	1
Dave Kack (Goalie)	0	0	0

The Lions have 3 wins, 2 losses and 1 tie in six games.

200 MILLION SEEN AS COST OF HYDRO PLANT AT NANTICOKE

Leo Vamplew, public relations officer with Ontario Hydro in the Niagara Peninsula, told the Jarvis Lions Club on Monday night that the proposed Thermal Hydro Plant in the Nanticoke area would cost $200,000,000.00.

This could include the cost of the site, 200 acres, rights of way for a Railway Line to the site, and rights of way for a possible four transmission lines to feeder stations in the Hamilton area.

Mr. Vamplew was cautious by saying that those on a high-er level of authority than himself had not yet finalized on the Nanticoke site for the huge Plant He left no doubt, however, that in his opinion this is where the Plant would be built

Mr Vamplew reviewed the changing demands for power in Ontario by stating that in 1906 when Sir Adam Beck brought about the first natural generated power for use, 4000 Kilowatts were generated. We are presently using, in Ontario, 8 million Kilowatts and the projected requirements for 1960 are 20 million Kilowatts

Ontario is planning to provide this evenly from three sources One-third will come from natural water power, one third from thermal power (coal) stations and one third from nuclear power.

Other thermal plants have been built at Toronto, Windsor, Port Arthur, Lakeview (Toronto area) and Lambeth. Nanticoke may be the sixth with four units of 500 K.W. each or a total of two million K.W's.

In order to operate such a plant it will be necessary to stockpile two and one-half million tons of coal. (The average daily usage will be 2400 tons This will require docking facilities extending 1200 feet into Lake Erie.

From the best information he could offer, subject to the approval of higher authority, the site for the project should be cleared by late 1967, and construction should start early in 1968. The first unit (of four) should be producing power in 1971 and the whole project should be completed in 1977 During the years of construction 1500-1700 men would be employed and the normal operational staff, upon completion, would be between 175-200

He intimated that to meet the demands of the project a least 100 new homes will be required in the area. He said he felt the people who would occupy those homes would be a credit to the community. He also indicated that no impos-

16-YEAR-OLD GIRL VICTIM OF CAR - TRUCK CRASH

Mr. Robert Lindsay, son of Mr Harold Lindsay and the late Mrs (Jane) Lindsay of Nanticoke, and his sixteen year old neice, Reta Parker of Port Dover, daughter of Mr. and Mrs. William Parker, were critically injured in a car-truck crash near Port Dover on Tuesday night. They were rushed to Norfolk General Hospital by ambulance

Witnesses said the car, which was owned by Mr. Lindsay, caught fire and exploded after the impact. The truck, driven by Laurent Lemoine, 22, of Turkey Point, and owned by Norfish Ltd., Port Dover came to rest upside down in a ditch with its wheels ripped off. Lemoine was not injured.

The injured were pulled from the burning car by William and Mark Buck who came on the scene shortly after the crash

The Lindsay car was said to be a total loss and the damage to the truck was estimated at $500

Late Wednesday afternoon, word was received that Miss Parker had passed away. The funeral will be held on Saturday afternoon at 2:00 P.M. from the Thompson Funeral Home, Port Dover, thence to St Paul's Anglican Church for Service. Interment will take place in the Port Dover Cemetery
