BADEN POWELL'S BIRTHDAY TUESDAY, FEB. 22nd

For all Scouts, Cubs, Guides and Brownies February 20 is the beginning of Think Week.

Uniforms will be worn for Sunday and during the week.

Members of local groups will take part in worship services in their own church, ushering, reading of the Scripture lesson and other duties

In a day when many forces are at work undermining our fine traditions of patriotism and of loyalty to the Sovereign it is refreshing to find that our boys and girls and young people are encouraged to undertake the discipline of citizens in their pledge: On my honour I promise to do my duty to God and the Queen, to help other people at all times and to obey the Scout, Cub, Brownie or Guide Law.

NEED TRUE EQUALITY

The day is now quickly approaching where Mr (Mitchell) Sharp's statement that "Canadians do not have an equal opportunity" will become true. Continuing education for all is the major tool required to close the gap of unequal opportunity in this country of ours.—Rimbey (Alta.) Record.

VETERAN JARVIS BUSINESSMAN PLANS RETIREMENT ON MARCH 1ST

After a career, more varied than most people experience, Sidney Reginald Leatherdale, who has been in business in Jarvis for more than forty years, plans to retire at the end of this month. His present store on Main Street will be taken over by his son, Coyne Leatherdale, on that date and Reg will be studying the open dates for fishing and hunting and any other appealing activity to a man in retirement

R. Leatherdale's career is a story in itself He was born in Coldwater, Ontario, the youngest son of the late William John Leatherdale, and is the only remaining member of that family. He also had two sisters. All members of the family with the exception of one sister and one brother and including his father and mother were residents of this community at one time.

He attended High School at Coldwater and, after graduation, joined the Bank of Toronto, in 1913 He served with the Bank at Coldwater, Toronto, Milton, Montreal and Elmvale before enlisting with the Canadian Army in 1915. He served overseas for four years and attained the rank of Staff Sergeant. Upon his return he returned to the Bank at Wallaceburg and London branches before entering into a business partnership with the late D. C. Allen in Jarvis, in 1921. One year later he took over the business from Mr Allen and operated the Grocery Store, Hardersbery and Bakery until late 1932 when the business block was destroyed by fire.

Early in 1933 he took over the General Motors Dealership in Jarvis and operated this business until 1940 when he again enlisted for service in the Canadian Army Pay Corps He served with the army from 1940 to 1947 when he purchased the Tobacco Business and Barber Shop formerly operated by the late William Hodges In 1956 he disposed of this business and opened an appliance store directly across the street. He operated this business until 1965 when he purchased the business formerly operated by John Brown, Druggist, and it is this store that his son will take over on March 1st.

Shortly after coming to Jarvis, in 1924, he married the former Gladys Grinyer, of Caledonia They have one daughter, Jean (Mrs. Allan Macdonald) and one son, Coyne, who for the past several years has been with the Howden Wholesale Firm in London. He will return to take over the business

Reg Leatherdale, in his business career in Jarvis since 1921, has established himself as the oldest operating merchant in the Village. During this period he has made a host of friends all of whom will wish him well in his retirement.

WEST HALDIMAND HOSPITAL 2 YEARS OLD MARCH 1ST

Tuesday, March 1st will be the second birthday of our hospital and it gives me pleasure to report to you some of the hospital activities since we opened on March 1st, 1964.

We have admitted and cared for 2,900 patients and given nearly 30,000 days of care to them.

We have had a total of 414 babies born in the hospital.

Our X-ray department has taken 15,000 films on patients injured

Our Physiotherapy department has given over 10,000 treatments to both in and out patients

Our Dietary department has prepared and served 125,000 meals.

Our Laundry has washed 366,000 lbs. of linen

Our major operating room has been used for 650 operations.

Our Emergency department has treated 2,015 emergencies.

To date we have paid over half a million dollars in salary to our employees.

Our Laboratory has done 75,000 procedures for patients.

The hospital has been on exhibition in London, England at the specific request of the Department of Trade, Economics and Development.

Our surgeon Dr. Debenham left last September to join a clinic group in St. Catharines and we are pleased to welcome Dr. N. Huschilt as Surgeon.

In December 1965 we were joined by Dr. V. Ryan who is located in Cayuga, he is now practising there and is very happy. Dr Baillie located in Caledonia last year and is proving an asset to the area

During 1965 we were pleased to welcome to our staff four Philipino registered nurses and one Philipino laboratory technician. They are now settling down in this new country and integrating into the hospital and community life

During 1965 the hospital was surveyed for the very high honour of accreditation and we were very fortunate to become provisionally accredited.

The very high occupancy rate which we sustained during 1964 has continued into 1965 and we ended the year with an occupancy rate of 101% This high incidence of occupancy creates many problems both for the staff and the patient, so please bear with us if we are unable to provide private accommodation, or move you several times during your stay or not allow you to use the solarium We are trying our utmost to care for as many sick people as possible and these are some of the problems in keeping with such a high occupancy.

During 1965 the Board of Directors made two presentations to the OHSC to increase our accommodation and up to the present we are awaiting their decision

The Board of Directors feel this most important day should not be unnoticed and invite the public to join with us in a Birthday Shower. If anyone feels they would like to bring a shower gift to the hospital, a table will be placed in the main lobby to receive such gifts.

The staff of the hospital wish to say "Happy Birthday, West Haldimand General Hospital".

JARVIS I.O.O.F. BANTAMS WIN OVER ONEIDA

Rick Miller led the Jarvis IOOF Bantams to a convincing 9-3 win over the fourth place Oneida Bantams on Wednesday evening February 15th at the Hagersville Arena.

Both teams battled at an even clip until the eight minute mark of the first period, when Jimmy Jaques threw a pass to Rick Miller at the blue line. Rick barreled right in on the Oneida goalie and made no mistake in firing the puck into the far corner of the net Ross Gibbons scored his second goal of the season, when Rick, unable to find a clearing in front of the net passed the puck back to the blue line where Ross drove a hard drive that eluded the Oneida goalie.

Jimmy Walker then wound up in his own end, deked each offending player and fired a hard shot in to the upper right hand corner of the net for a 3-0 lead Oneida then scored on a scramble in front of the Jarvis net, before Miller fired his second goal of the night as the period ended

Again at the eight minute mark of the second period, Jarvis scored on a fine play by Jim my Jaques as he took a pass from Miller, skated to the left of the Oneida goal and fired a backhander in to the far corner of the net.

Holstein scored for Oneida, before Miller again tipped in a pass from Jimmy Howden and Jaques for an IOOF 6-2 lead Miller scored his fourth goal of the night with Jaques assisting, a hard shot from left wing that ripped through the Oneida goaltenders legs.

Oneida scored their last goal before Larry Vokes finally scored after many efforts, with Jack Donaldson who was literally nobbled on numerous occasions, helping set up Voke's goal If any one player deserved to score a goal Donaldson fit the part as he worked hard all night, started many rushes, set up plays but was unable to trigger a goal as he missed the open net, hit the goal post and was checked at the last moment.

Jimmy Walker completed the scoring on another shot from the blue line that caught the Oneida goalie unawares.

Although the scoring was limited to the second year players, credit for a fine job is also awarded to the younger players who also turned in a fine effort Donnie Anderson, Chris Montague, Bryce Hazlett, Roger Bartlett, Gery Walker, John Linklater, Jim Duxbury and Jimmy Church, the first year players.

The defence of Gary Dawson, Charlie Montague, Jimmy Walker, Ross Gibbons, and Bert Jonson alsoturned in a fine job.

Jimmy Jaques collected four assists, Miller, three, Howden, two, Donaldson and Gowan one each

One regular season game remains before the league playoffs begin on March 2nd.

ONEIDA SQUEAKS THROUGH

11.03 Glen Harrop, from Ray Harrop and Cossar again connected It seemed to be all Oneida at this point when Ken Harrop again scored two minutes later.

The Jarvis boys, however, weren't about to quit They fought back and kept up tremendous pressure from this point on.

Paul Beischlag finally connected on a shot from just inside the blue line from Fred Montague Keeping the puck still in the Oneida end Beischlag again pumped one in, this time from Barry Miller at 19.30 With just 30 seconds left Jarvis again was in the Oneida end, but just didn't have the time to get the equalizer

Final score Oneida 4, Jarvis 3

The boys are still playing Saturday nights in the Hagersville League, so they may get another chance at Oneida in their own playoffs.
