**PROBLEMS IN DEMOCRACY**  
 The political principle upon which the African states are relying in demanding racial equality in Rhodesia is the principle of one man, one vote. That sounds fine, but when examined it raises some far-reaching questions. If the principle is valid within a state it should be valid also in interstate relations and in the United Nations. Zambia, with a population of less than 4,000,000 should not have equal voting rights with the United States or the U.S.S.R. Cochrane (Ont.) Northland Post.

**UNKNOWN PEOPLE**  
 I have never stop to think of our fellow citizens without a lot of publicity. Many, if not most, of the citizens of the county do not even know the names of all those who have been mentioned in the past. They are satisfied to be just good citizens, which is a worthy aim. But the unknown men and women are vitally important, they are the people that keep our society going. Everything that we know about the world is the result of the work of these unknown people. A civilization composed of men and women of genius would not last for ten minutes. Let us all be glad we are among the unknown who bear our civilization up.

**Centennial Report**

1867 to 1967 by JOHN W. FISHER CENTENNIAL COMMISSIONER

I have written before about the great 4,000-mile route to be travelled by our Centennial Canoe. Pagan summer. Ten canoes manned by teams from the province will traverse the historic waterway from the Rocky Mts. to Montreal. The fact that Canada stretches from sea to sea is due partly to the existence of this and other waterways. The "north west passage" water across Canada was established long before the time of Confederation. In fact, one might say, it had its beginning with the first explorations of the north west. The explorers discovered the first part of the waterway west of Montreal in their hunt for a route to China. Then, once found, it became the highway to the far east through the Arctic. While the fur traders were producing considerable commercial canoe traffic between Montreal and the Rocky Mountains, other people were still intent on finding a north west passage for ships. Twenty-two years before Confederation Sir John Franklin, the great Arctic explorer almost forgotten by Canadians today, set out to find a northern shipping route through the Arctic. He was assisted by two Royal Navy ships, the Erebus and the Terror. There were 129 officers and men on Franklin's two ships when they entered the Arctic sea in 1845. They were last seen in July of that year by another passing ship in Baffin's Bay. Then the Terror vanished and none of the 129 ever returned from the Arctic. Numerous expeditions sent from England, from the United States and by groups from Hudson's Bay Company searched for the lost explorers without success. Evidence uncovered in later years proved that the Erebus and the Terror, trapped in Arctic ice, had not been abandoned until three years after they had been sighted by the passing ship in Baffin's Bay. As late as 1850 Eskimos saw a large party of white men

**PRESBYTERIAN CHURCH NEWS**

Even more important, I believe, than Church Union, is Church Co-operation. Back in the early days when desert drought transformed the Palestine land bridge into a man-power, found themselves being forced further and further back into the rocky hillsides by a pagan invader. More and more, the foreign social and religious group had backed the Chosen people into a corner where the only alternative to genocide seemed to be to join them. This proselytism had proceeded in a manner that brooked no dissent. The second step was to familiarize themselves with the psychological attitudes of the intruders. The third step was to proceed aggressively and in a business-like manner with selling up well - knit, compact groups that would work together as teams of dedicated "choirs" of enthusiastic warriors. Small groups working together in a co-operative spirit toward a common goal form an unbeatable force toward Karl Marx called them cells. Bands, we call them Congregations. We call them Churches. The denominational Faith and the Program, the Common leadership and loyalty, an informed and knowledgeable membership are essential. Note the precedence in the head of the church is Jesus Christ (Judges 7:20).

The Knox Presbyterian and Wesley United Churches co-operate through the summer vacation Sundays. July services are being held jointly in Wesley U.

**INTERMEDIATES BLANK ST. THOMAS FIVE TO NOTHING**

The St. Thomas Memorial may be undefeated in the Big Four this year but last Wednesday night, under new coach Norm Graham, the Jarvis Intermediate scored four runs in the eighth and one in the ninth to defeat the Memorial 5-0 in St. Thomas.

John Edwards showed play-off form as he gave up only two singles and one base on balls while striking out 13 batters. Steve Parvoci fanned 13 Jarvis hitters and didn't walk a man. Steve Parvoci, Fess, Parvoci and Mason each later being tagged for all five runs.

With two out and one on in the eighth Jarvis got singles out of Bill and Harold Nixon and Ken Graham and a double by Charlie Winger to break the pitcher's cool when John Edwards added the fifth run in the ninth inning with a solo homer. Graham also had a triple for Jarvis while Harry Reekie, Bobby Smith and Bruce Bigger scored on singles. Dick McCaw and Harry Bartley got the only two St. Thomas hits.

**JARVIS NIPS WATERFORD JUNIORS 3-2**

Laird Campbell threw a 5 hitter on Friday night as the local intermediates came from behind a 2-0 deficit to win 3-2. The locals collected eight hits, two each by Bill Prince and Charlie Winger and on a piece by Reekie, Bill Nixon, Bruce Bigger and Campbell, to score one run in the fifth and two in the seventh to overcome the two runs Waterford scored in the fourth inning on only one hit.

Campbell gave up only two bases on balls while whiffing eight batters. Parvoci fanned 13 Jarvis hitters and didn't walk a man. Steve Parvoci, Fess, Parvoci and Mason each later being tagged for all five runs.

**VILLA NOVA DROPS JARVIS 3-1**

The Villa Nova Co-ops out-hit Jarvis 8-4 and outscored them 3-1 on Monday night in a Halimand-Norfolk Floodlight League game. Carson Little threw steady ball for the win and was never in serious trouble. He fanned nine batters and passed only one runner. The game was tied in the sixth inning when Ken Graham reared out an inside-the-park home run. Harry Reekie had a single and triple for Jarvis and Charlie Winger had a double to round out the Jarvis hitting.

The winners scored single runs in the fifth on a hit by man, a passed ball and a single in the sixth and eighth innings on home runs by Frank Charbon and Don Butcher respectively. Joe Clark had a double and single and Don Ward had a single for the other Villa Nova hits.

The only Jarvis run came in the sixth inning when Ken Graham reared out an inside-the-park home run. Harry Reekie had a single and triple for Jarvis and Charlie Winger had a double to round out the Jarvis hitting.

**MOUNT HOPE BEATS ALL-STARS 5-2**

Saturday night in Mt. Hope the home town Mounties showed why they are leading the league. They defeated the All-Stars by a score of 5-2 in the Annual All-Star game. Gord Oakes, George Westphalen and Jim Pettit had all hit homers for Mt. Hope off three All-Star pitchers. The All-Stars managed only five hits off the offerings of Tom Pecham and G. J. Phillips compared to 10 for the Mounties. There seemed to be little interest in the game this year as only nine players turned out for the All-Star team, four of whom were pitchers. The number of fans was also very small for the game.

**JUNIORS LOSE TO DAWSON CITY & GORE**

The local Juniors had their favorite, Fred Frasier, in their last Wednesday night as they lost to Dawson City in a game with only seven players and two spectators on the diamond. The score was 8-4. After 15 minutes of play, the players arrived later, it was too late to do anything about the big league game. The final score was 14-3.

Ron Little pitched steady ball for the win while Bob Hartzel was charged with the loss. He was relieved in the fourth by McCarty but was in in the sixth to finish the game. McCarty was charged with the loss as well. McCarty was charged with the loss as well. McCarty was charged with the loss as well.

**CAYUGA DETACHMENT O.P.P. REPORT**

In the past week, the Cayuga Detachment of the Ontario Provincial Police issued 122 warnings to motorists on Hwy's patrolled by the Force in Haldimand County. Of the 122 warnings, 106 were issued by a Safety Check Unit operating on No. 3 Highway, Walpole Twp., just west of the Jarvis Limit. The Department of Transport is investigating 11 July 15, 1966, during which time 151 vehicles were checked. In addition to 6 fatal accidents and 6 requests for assistance. As a result of the 4 Breakins, 3 persons have been charged and most of the stolen property recovered.

The warnings issued during the past week involved faulty equipment, minor speeding of 10 to 20 km/h, improper passing, improper lane changing and failure to obey highway signs and markings.

Numerous accidents occurred in the Haldimand County area. In the past week we investigated 19 motor vehicle accidents in which injuries occurred in 4, (5 persons injured) and 6 fatal accidents and 6 requests for assistance. As a result of the 4 Breakins, 3 persons have been charged and most of the stolen property recovered.

Our court is held on Thursdays at the Court House in Cayuga, Ontario, a quarter mile north of the Jct. of Hwy. 3 Hwy. Telephone 772-3323, 772-3323. Daily office hours are 8:30 A.M. to 5:00 P.M. and if no answer at above numbers, please phone Zenith 50,000 (no toll charge). If you wish to connect with our District Headquarters at Niagara Falls, Ontario, who will contact our Cars by radio, in Koots and 612 miles of Townships in this area.
