By JOHN W. FISHER CENTENAL COMMISSIONER

The department of education in each province will be sending out teachers' manuals to schools for the beginning of the fall term. Teachers also will receive class record sheets and each student will receive a year card so that he can keep his score during the Centennial athletic events which will be run off between Sept. 6, 1966 and December 31, 1967.

Gold, silver and bronze Centennial crests for achievement will go for outstanding athletes to conduct the province and to participate in the Athletic Awards events. One of the events is a 300 yard standing broad jump. Participants in the program will choose one of three events: swimming, skating or figure skating. Centennial Commissioner, John W. Fisher, said that the program for schools children in the province is the opportunity to conduct optional events. The program is being conducted in the compulsory events but a teacher may delegate any of the same lines to the compulsory events but a teacher may delegate any of the same lines to the compulsory events but a teacher may delegate any of the same lines to the compulsory events.
