God, the supreme good in our lives, makes himself known to all men. We give evidence of this not only by the creeds we quote but by the lives we live. To know God is to seek truth To love God is to love your neighbour, even if he happens to be twenty-five years behind the times Perhaps their location is better known as No. 24 Highway

WHO IS GOD?

Gordon S inclair, T.V. panelist, answers comments about God by asking: "Which God do you mean? The Hindu God?"

The Buddhist God?" That elderly critic of organized religion is about twenty-five years behind the times. So are many people who seldom attend to the control of the times. So are many people who seldom attend to the control of the times. So are many people who seldom attend to the control of the times. So are many people who seldom attend to the control of the times.
