JARVIS I.O.O.F. BANTAMS WIN PLAY-OFF OPENER

Jarvis IOOF Bantams met Fisherville in the first game of their two game total goals series on Wednesday evening, March 1st in a close hard fought game.

Fisherville jumped into an early two goal lead before the IOOF finally tallied, as the Fisherville goalie played fine hockey in shutting out the IOOF until the second period. Shivers scored the opening goal for Fisherville, on a hard drive from the blue line that caught the IOOF goalie Reynolds off guard Otterman scored the second Fisherville goal on a great effort as he deked the IOOF defence and then Reynolds for a two goal Fisherville lead.

Larry Vokes finally tallied at the two minute mark of the second period to put the IOOF back into the hockey game, on a pass from hard working Jack Donaldson This goal gave the IOOF added incentive as they fought tooth and nail in an effort to tie the score. Donaldson did tie the score on a fine effort, on an end to end rush, which he polished off in great style by scoring, tieing the score.

As a result of High School exams 4 of the regulars were out of the line up Four Pee Wees from the Jarvis PeeWee Team were brought up to fill up the vacancies. Ray Miller, Ray Gibbons, Teddy Reynolds and Marvin Higgins were the Pee Wees, and they filled in very capably. Ray Gibbons took a pass from Jimmy Jaques and fired the puck into the net for a Jarvis one goal lead Teddy Reynolds played a good game on defence, Miller checked, and skated hard and did look not look out of place in the higher company. Higgins, although not playing regularly, did a good job, as he has another year of Pee Wee eligibility left.

Jimy Jaques, although check ed close all night, finally scored the winning goal, on neat pass from Teddy Reynolds, that was fired between the Fisherville Goalie's legs Donaldson again stormed down the ice from his own end, deked each defending player and through a perfect pass to Larry Vokes barrelling down centre ice. Vokes fired the puck into the net for Jarvis' fifth goal.

Fisherville, never to be denied, never gave up, as Otterman again stole the puck, skated the length of the ice and scored Fisherville's final goal. The bell ended the game. Final score—Jarvis IOOF five, Fisherville three. Jarvis now has a two goal lead in the series.

Jack Donaldson drew two assists, Larry Vokes, Jim Jaques, Teddy Reynolds, and Ross Gibbons one each.

Richard Reynolds in goal for the IOOF, had a few shaky moments at the start of the games but as time progressed settled down and played fine hockey to the final buzzer.

HAGERSVILLE MIDGET LEAGUE

Oneida 7 — Jarvis 2

Hagersville 3 — Cayuga 2

In the first game Jarvis took quite a bad beating in losing to Oneida The Jarvis boys just couldn't finish off their scoring plays, while Oneida seemed to score easily with a few lucky breaks to boot. We had some excuse in the fact that three of our defence men did not show up and this hurt us considerably

The Oneida team divided up the rgoals evenly among their team Their second line of Eubank, Stark and Hall coming through for a couplee of goals. Defence man Brian Smith also got one, and the Harrops came through as usual.
