OBSTACLES FACE FIREMEN MAKING RUN TO A FIRE

The Jarvis Firemen found it wasn't easy to get to the scene of a fire on Monday afternoon, responding to a call at the home of Silas Bartlett on the Cheapside sideroad, they found tiney first had to make a detour in the Village due to the location of the sewage installation equipment Five miles down the road their progress was impeded by a house that was being moved on the road. Oddly enough the house belonged to a son-in-law of the man whose house was on fire.

Despite the fact the firemen were delayed in arriving at the scene the blaze was controlled by the quick action of neighbours.

The fire started near the peak of the roof and was noticed by Grandchildren of Mr. Bartlett who live across the road. David Lint, another neighbour saw it and rushed to the scene with a fire extinguisher This instrument probably saved the house and with the help of others, water brought the flames under control. The firemens dampened the area down with hoses before returning to their homes. A foot hole in the roof plus some water seepage was the extent of the damage.

THIS WEEK

Truckers from the five Southern Ontario Teamsters locals started back to work in the early days of May after settlement of their 14-week strike against intercity transport companies.

There are two main outcomes: the men get an increase in wages and fringe benefits building up to 67 cents two years from now and a 40-hour week, and freight rates may go up 15 or 20 per cent to pay the pay increase.

So said John Nickell of the Motor Transport Industrial Relations Bureau. He did not say anything about the possibility, which sometimes happens, that some former customers of the truckers may stay with other forms of shipping now that they have been driven to them for 14 weeks.

Settlement of the strike followed intervention by Teamster president Jimmy Hoffa, after the men voted against a mediation proposal arranged by William Dickie, Ontario's chief conciliation officer.

The drivers voted 4,369 to 885 to accept the final proposals and work resumed after the mechanics' branch of the union, voted 388 to 90 (among 1,000 members) to accept their offer, contract for higher pay for better skills.

Teachers Jib at Tests

The Ontario Teachers' Federation sent a brief to the minister of education last week deploring the suddenness of the announced abolition of grade 13 departmental exams.

By 1968, it is proposed that a graduating student's mark be derived from his last year's class work and a standardized province Aptitude Test. Ont. representatives of the province's 71,000 teachers said two years isn't enough departmental examinations should be used as a third component of the student's final grade. Without such a spokesman, schools might cone to between school board.

Jarvis Born

An Estonian-born Canadian citizen has sued an Estonian-born American citizen for alleged libel in calling him a Russian

American, Juri Raus, is an agent of the Central Intelligence Agency and, while denouncing Canadian, Eerik Heine, 46, Ajax, Ontario., says in defence that he was doing so on government service.

Heine came to Canada in the 1950's he assumed leadership of an Estonian emigre organization and is currently the author of a hero among others of Canadians for his war exploits against the occupying

CIA is understood to have close connections with these groups from Communist countries and is suspected of trying to control them. It is also speculated that Mr. Heine was called a Communist and a KGB agent in order to ruin his reputation and lessen his validity within the group.

In court, Mr. Raus's lawyers produced official CIA documents that normal legal rules of evidence would rule out intelligence which must be kept secret. The judge took four arguments on this question May 13

Mr. Heine challenged the application for official judgement that he is a Communist by proving the U. S border to attend the court.

GRADUATE

D. CAROLYN DOUGHERTY

Daughter of Mr. and Mrs. Harold Dougherty, of R. R. 1, Port Dover, who will graduate on Wednesday, May 11th, 1966 from the St. Joseph School of Nursing, St. Joseph's Hospital, in Hamilton. Carolyn will be on the staff of the hospital commencing in September. She is a graduate of Simcoe District High School.

CAMPAIGN PLANNED

At a meeting held in the Municipal Building on Monday evening it was decided to hold the Community Chest Campaign this month in the period of the 16th to the 31st May.

The attendance was not large and one who was very much missed was Mrs. R A. Miller who has managed the campaign so efficiently and well in recent years. Tribute was paid to her ability and her willingness to sacrifice herself for the good of the community. We all hope that her stay in hospital will be of short duration and that she will soon be among us again.

The following were electes as officers: Chairman, the Rev. K. N Brueton; Vice-Chairman, The Rev. G. Taylor-Munro; Secretary - treasurer Mr. Fred Fish; Publicity, Mr. Laird Miller; Campaign Manager, Mrs. Jack Doughty; Auditor, Mr. Wilson Clark.

As some of the canvassers have had to drop out this year, on account of sickness chiefly, there is a pressing need for new canvassers If you are willing to help, please get in touch with Mrs. Jack Doughty; if she approaches you, do your best to help.

HOSPITAL DAY MAY 12

Since opening its doors on March 1st, 1964, the West Haldimand General Hospital has been filled to over-capacity and has served as a Health Care Centre for many outlying districts.

One project that all six units of the Hospital Auxiliary participate in is selling flowers to commemorate National Hospital Day.

May 6th and 7th of this year are the days that Auxilians will be canvassing. It is hoped that the public will co-operate to make this project a success- thereby helping the Hospital to continue its ever-growing community service.

FIRE COMPLETELY DESTROYS HOME

The home of Mr and Mrs. Howard Kitchen on the Lakeshore, east of Nanticoke, was completely destroyed by fire on Tuesday of last week.

Smoke from the roof was first noticed by Mrs. Ken Smith, who lives across the road and by the time she had notified the Selkirk Fire Department the entire roof was a mass of flames. None of the contents was saved. There was no one at home when the fire broke out

Mr. and Mrs Kitchen are temporarily living at the Chas. Hedges residence at Nanticoke.

A house shower in behalf of the Kitchen family was held on Tuesday night at the Cheapside Community Hall The hall was packed to the doors with friends who had come laden with gifts intended to help the family re-establish their home

OBITUARIES

MRS. W. I. MITCHELL

Mrs. William Lawrence Mitchell, 43, of 45 Minnewawa Rd. Port Credit, formerly of Simcoe, past president of Ontario Command Army, Navy and Air Force Veterans, died Friday at South Peel Memorial Hospital, Cooksville.

MRS. CHARLES OTT

Mrs. Melissa Wilkins, who re sides with Mr. and Mrs. C Sandison in Burford, and formerly of Jarvis, received the sad news of the death of her sister, Mrs. Charles Ott, of Syracuse, N.Y., last week.

Mrs. Ott was in her 93rd year, and had visited in Jarvis and Burford last fall. She had exceptional health until Christmas Since then she suffered several strokes and died April 25th.

She was born Clara Unger, in Waterloo county, but lived most of her life in Buffalo, and Worcester, Mass. Burial was in Worcester.

VICTORIA DAY CELEBRATION IS JUST AROUND THE CORNER

There is no longer any doubt about holding a Victoria Celebration in Jarvis this year. The show will go on.

The customary program will be followed Committees have been formed by the Lions Club and they are now at work in preparation for the program.

While it is expected it will be necessary to get some of the ball games underway in the morning the official start of the program will be at 1 P.M. when the Calithumpian parade will move off from the C.N.R. yards on North Main Street. The parade will proceed to the Park. Entries for the parade are invited and it is hoped that the standard of the parade will compare favorably with other years

Final arrangements have not yet been completed but it is expected the Young People will be able to enjoy their annual dance party in the Community Hall during the afternoon

The Amateur Show will get underway at 7.30 o'clock in the evening so that it can be concluded before the display of fireworks takes place. Entry forms for the amateur show will be found in another place in this paper and those planning to participate are urged to get their entries in as soon as possible.

There will also be a prize draw again this year along with games, pony rides, etc. The big day will conclude with a dance in the community Hall

CARDS OF THANKS

I would like to thank all the people who sent gifts and cards to me during my stay at the West Haldimand Hospital. Special thanks to Dr. Marshall and Dr. Ryan Hazel Davidson

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses we are deeply grateful. Special thanks to the Rev. G Taylor-Munro.

Mr. and Mrs Lloyd Mitchell and Lawrence.

Words cannot express my deepest thanks for what you have done. The thoughtfulness and help of neighbours and friends at the time of our accident and death of my husband is greatly appreciated. The visits and cards to Michele and myself while in the hospital were so thoughtful

Thank you, to you who remembered us in prayer. God has answered in a miraculous way.

I expect Michele to join us at home soon.

Mrs. Annie Person

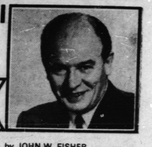
Centennial Report



1867 1967 by JOHN W. FISHER CENTENNIAL COMMISSIONER

Before the end of this year a full-length Canadian feature film will be released to Great Britain, the United States and other countries. It is certain to encourage people to visit our country during the 1967 Centennial.

The film, called Helicopter Canada, an hour-long Panavista production for wide screens, will be shown in our own cinemas during 1967

Helicopter Canada is the first full-length moving picture feature to be made entirely from a helicopter-in-flight anywhere in the world. It is an exciting coast-to-coast colorscreen of Canada—its geography, its wildlife, its people and ways of life. It is being produced by the National Film Board of Canada for and with the aid of the Centennial Commission. Peter Jones is the producer and George Salverson is the script writer. The director-cameraman is Eugene "Jeep" Bayko, of the National Film Board staff who had some interesting experiences filming this project across Canada from the open door of a helicopter.

Bayko was born in Saskatoon, has been a shipwright, shipyard worker, private chauffeur in various parts of the country and he was a country-and-western singer in Saskatoon in 1957 when a broadcaster named Jack Wells tagged him with the nickname, Jeep, after a comic strip creature.

In the 40's Bayko was a taxi driver in Vancouver when a passenger went on vacation leaving her camera in the cab. He used it to shoot a traffic accident and sold the pictures to a local paper for $5. This led him into photography and he wound up at the National Film Board in 1951. Bayko's home, when he gets there, is in Lorraine, Quebec; he has a wife, one daughter, 10, and one son, 3.

By means of Jeep Boyko's camera, background narration, dialogue and sound effects, the viewer in the camera audience will be making a trip across the country, discovering Canada as though he were in that helicopter. The copter during shooting, was able to get as close to the face of anything as its blades permitted and hovered from six to 600 feet.

Boyko spent more than a year on the filming—a good deal of the time 500 feet up in the air, returning helmet on head, hanging out the side of a French-built turbine helicopter (the Alouette) In one year he shot 96,000 feet of film and travelled from Newfoundland to Victoria. An anti-vibration mount for the camera was a French-made unit, first used in the making of the French films "The Red Balloon" and "Voyage in a Balloon" It permits a picture while hovering vibration is eliminated in this clever device.

In Toronto Boyko hovered a few feet above Nathan Phillips Square for a dramatic view of the new domed mill city hall. He caught the Old Fort Henry Guard, at Kingston, doing its drill.

The helicopter camera shot the convoluted tubing and towers of a vast oil refinery complex at Edmonton, paddle wheelers, rising new buildings in western cities, the lush North Saskatchewan River Valley; in Montreal the helicopter made forays around the new skyscrapers; in Saskatchewan it caught a fast-moving freight train travelling through a Prairie town, a truck leaving a high dust plume behind it, down a road to a lone elevator standing stark against the prairie horizon

In Newfoundland the camera made contact with a lighthouse keeper and a ship's skipper seeking guidance into the harbor thus symbolizing the entry to Canada through her most eastern gateway.

The film viewers will have the sensation of being virtually on the surface of the gorge beneath the Honeymoon Bridge on a slow trip straight up the face of the tribal veil falls almost at arms length They will "ride the back" of a deer in flight, peek into the windows of Montreal skyscrapers and experience the sight and sound of stenographers at their work and stockbrokers in action. They will view skiers and mountain climbers, wheat farmers, miners and prospectors, lumbermen, assembly-line productions, football clubs, outdoor activities of various ethnic groups and of the first Canadians—the Indians.

Don't miss Helicopter Canada when it comes to your area in 1967.
