OMSIP enrollment period extended to May 16th

Ontario Health Minister Dr. M. B. Dymond has announced that residents of the Province may still receive full Ontario Medical Services Insurance Plan coverage and benefits by July 1st providing they enroll in the Plan before May 16th.

"The Plan is a success," declared the Minister. "The number of applications received already cover more than 1,100,000 of our citizens."

Dr. Dymond added, however, that a large number of residents had indicated they would join OMSIP but for a variety of reasons had been unable to send in their application in time. The OMSIP open enrollment period has therefore been extended by two weeks in order that these persons may qualify for coverage from the day the Plan goes into effect on July 1st.

Old Age Pensioners Many old age pensioners have automatically been enrolled in OMSIP but most must fill in and submit an application. Those who will get automatic coverage are pensioners who are presently receiving benefit under The Ontario Old Age Assistance Act...

SEND YOUR COMPLETED APPLICATION FORM TO OMSIP, P.O. BOX 1700, TERMINAL A, TORONTO If required, additional application forms are available from any bank, or from OMSIP, 135 St. Clair Ave., West, Toronto 7.

The government, however, can only cancel memberships in the case of misrepresentation, misuse of services, non-payment of premiums, or 8 months after a member has ceased to be a resident of Ontario.
