What does Centennial mean to you?

1967. This is the year for Canadians everywhere to stand up and think about Canada. To look back on how far this nation has come since its rough and rugged beginnings.

opera, musical comedy to drama. Two companies of 300 servicemen each will travel Canada to put on a magnificent stirring Military Tattoo, portraying Canada's past 500 years of military history!

What are you planning for Centennial?

may be. What is important is that you have stopped and thought enough of your country and what it means to you to take up a Centennial project of your own.

When the party's over a Cascade 40 electric water heater can have its finest hour

When the party's over a Cascade 40 electric water heater can have its finest hour

Seven-year-old socialites have a way of leaving more than a gift at a party; ever been stuck with a tuff-frutti-topped tablecloth?

When the party's over a Cascade 40 electric water heater can have its finest hour

These are the times a Cascade 40 can really win you over. It provides all the hot water you need to suds up a strawberry-speckled party dress, its chocolate-checked owner, and the pile of party paraphernalia you'll be left with.

When the party's over a Cascade 40 electric water heater can have its finest hour

A Cascade 40 electric water heater may not make the party... but it could save the day. For more information, ask your Hydro.
