During the first part of the tour we were shown the boys' workshop and school rooms. Next, we visited the dormitor ies where the youngest boywere just ready for bed, an older group of boys were watching T.V and the oldest group doing their homework. Their surroundings were very neat and tidy and the boys well-behaved.

Important announcement for electricians, air conditioning and refrigeration workers

The Apprenticeship and Tradesmen's Qualification Act, 1964 requires journeymen in the Electrical, and Air Conditioning and Refrigeration trades to obtain Certificates of Qualification by October 31st, 1966. The deadline has now been extended for six months to April 30th, 1967.

This extension does not affect the normal renewal periods for these trades which are: Electrical trade-January-February; Refrigeration & Air Conditioning-May-June. Tradesmen who have not already applied for their initial Certificates of Qualification should do so as soon as possible. Applications should be forwarded to:

Do you know Mr. G. B. Pyfrom!

Mr. G. B. Pyfrom

There's a good chance that you do. He gets around quite a lot and he knows the community very well. That's part of his job.

He's the manager of your local branch of Canadian Imperi Bank of Commerce. And he's a good man to know. For help with financial matters or for sound advice, on anything to do banking, he's the man to see.

If you haven't already met him, by all means call in soon. Ho be glad to see you.
