BRITISH ISRAEL - The Bible's National Message -

The Attack on the Throne Having succeeded in taking from us the symbols and much of the reality of our British heritage, the subversive forces which brought this about are now working to end the Monarchy and make Canada a republic.

Who Do Not Want This to Happen May we suggest that the first step in any effective opposition to it is to KNOW, and to help make known, the true identity of our ancient Throne, regardless of their racial origin.
