ROULSTON'S A

Another thing I like doing with my Granddad is driving in the car. He lets me drive all by myself and makes the funniest noises when I steet toward the ditch. It's great fun I finally admitted to him yesterday that it is great fun being in Jarvis and I would like to come back again. When I do, I promised I will not get up early in the morning, run up and down the hall and wake him up before he is ready to get up I will say he is not, naturally, an early riser.
