Nations and on a base much stronger than that of the League of Nations. People were drawn together in an effort to prevent their own annihilation and therefore the United Nations, as the vehicle of this peace keeping mission, will continue to exist.

The U. N provides an important meeting place for the leaders of all nations. The closed door sessions and the late night meetings undoubtedly soother many troubled minds and provided an avenue for peaceful negotiations between countries that have differences of opin-

FROM MY

WINDOW

By Shirley J. Keller

Maybe it is because I am aworking mother that I am so angered by the constant reference to my kind as "delinquent parents" and "spare-time ma
shoves her kids out onto the street at daybreak and doesn't recall them until bedtime is doing a better job of training her youngsters than some mothers who work. Children raised in a home where mother drinks coffee with the girls and watches television several hours each day can be just as hostile as kids whose mothers pound a typewriter all day in some office.

It also seems to make a difference to society just what kind of an outside job a mother

an avenue for peaceful obtained an avenue for peaceful obtained an avenue for peaceful obtained between countries of the claim special expectations between countries emptions on their income tax because they are valuable to the Canadian economy.

There is no doubt that ring the recent crises many entings where held which the neral public did not know out. It is these meetings which will prevent a Third forld War. As long as the most cases mother like some sort of diseased money monger. In most cases, mothers work because they are needed in their profession. That does the claim special expuritions on their income tax because they are valuable to the Canadian economy. The tax rate for the Village this year will be 38 mills. The United Lines Ltd. will carry out a bus service through Jarvis and Simcoe on the West or because they are needed in their profession. That does the claim special expuritions of the canadian economy.
